Or chickens, or a penguin, or a giraffe, or a panda!
And she definitely hadn't thought about having
an elephant . . .

. . . even a baby one!

Maisie **loved** having
so many animals.

Even if giving them
a bath was a bit sloshy.

And just as she was
feeding one, another
felt peckish.

And not all of them
got along.

And others were just
full of … surprises!
