Be More Dog

My dog Sam has a superpower.

He doesn't wear a costume.

He can't fly.

And he definitely can't
make himself invisible.

Sam's superpower is happiness.
His tail **NEVER** stops wagging.

This morning Dad went
to work, and I'm worried
my happiness got packed
in his bag. Because when he left,
I think my happiness went with him.

So I'm going to follow Sam, because if anyone can help me find it, he can.

First, we sniff the morning. It smells of grass and fresh air.

Then we sniff Dad's old boot. That makes Sam happy…

But I prefer Granny's baking!
