32 Quiz

A strange shape appears in front of them.

"What's that?" asks a crew member.

"It looks like the wreck of an old war submarine," says the pilot.

"We'd better get going," says a crew member. "The water's getting rough".

Glossary

Hatch
An opening used to get into a submarine

Octopus
An aquatic animal that has eight arms, each with two rows of suckers

ROV
Short for remotely operated vehicle, an ROV is a robotic submersible that people can control from the deck of a ship

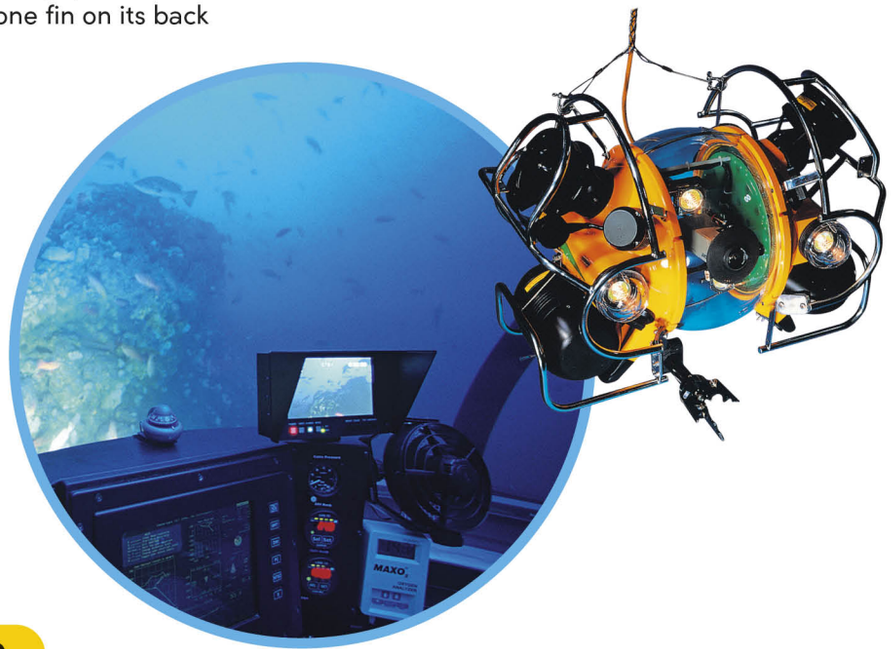

Sail
The raised part near the front of a submarine

Shark
A fast-swimming fish that has sharp, pointed teeth and at least one fin on its back

Submarine
[sub-muh-REEN]
An underwater craft that can travel with more than 120 people inside

Submersible
[sub-MER-suh-bull]
An underwater craft that is used for deep-sea studies
