Poppy and Sam live on Apple Tree Farm.
"Hello hens! Breakfast time," says Sam.
Cluck, cluck! say the hens.

Can you find Whiskers the cat?

The sheep are in the meadow, nibbling grass in the sunshine and going **baaaaa!** "Good morning, Woolly," says Poppy.

One of the sheep is still fast asleep... can you spot it?

"Morning!" says Ted. He's driving his big red tractor. Pippin the pony **neighs** as Poppy pats his soft nose.
Mr Straw the scarecrow is looking after the crops. Can you see him?
