THE THING AT 52

Ross Montgomery · Richard Johnson

There's a Thing on my street.
He lives at number 52.

I see him sitting in his garden
when I walk to school.

Sometimes, I see the Thing in his front room.

Sometimes, I see him at the shops.
I don't think he has any friends.

So I asked my mum if we could buy the Thing a flower. He liked it very much.

"Come inside," he said.
"I was just about to have a cup of gravy."
