In the small town of **Pawchester**, the scent of mystery always hung in the air. **Buster Cuffs**, the clever dog detective, was in charge of keeping everyone safe.

His strong intuition, great sense of smell, and unbeatable observation skills made him a legend in **Pawchester**. As the sun rose, after a long night in his office, he was finally on his way home.

As **Detective Buster Cuffs** was walking through the park, he stumbled upon a puzzling scene. The local puppies with their bellies growling in protest, were searching for something in the bushes.
