Gilbert the Great White Shark loved
to play hide-and-seek with Rita Remora.

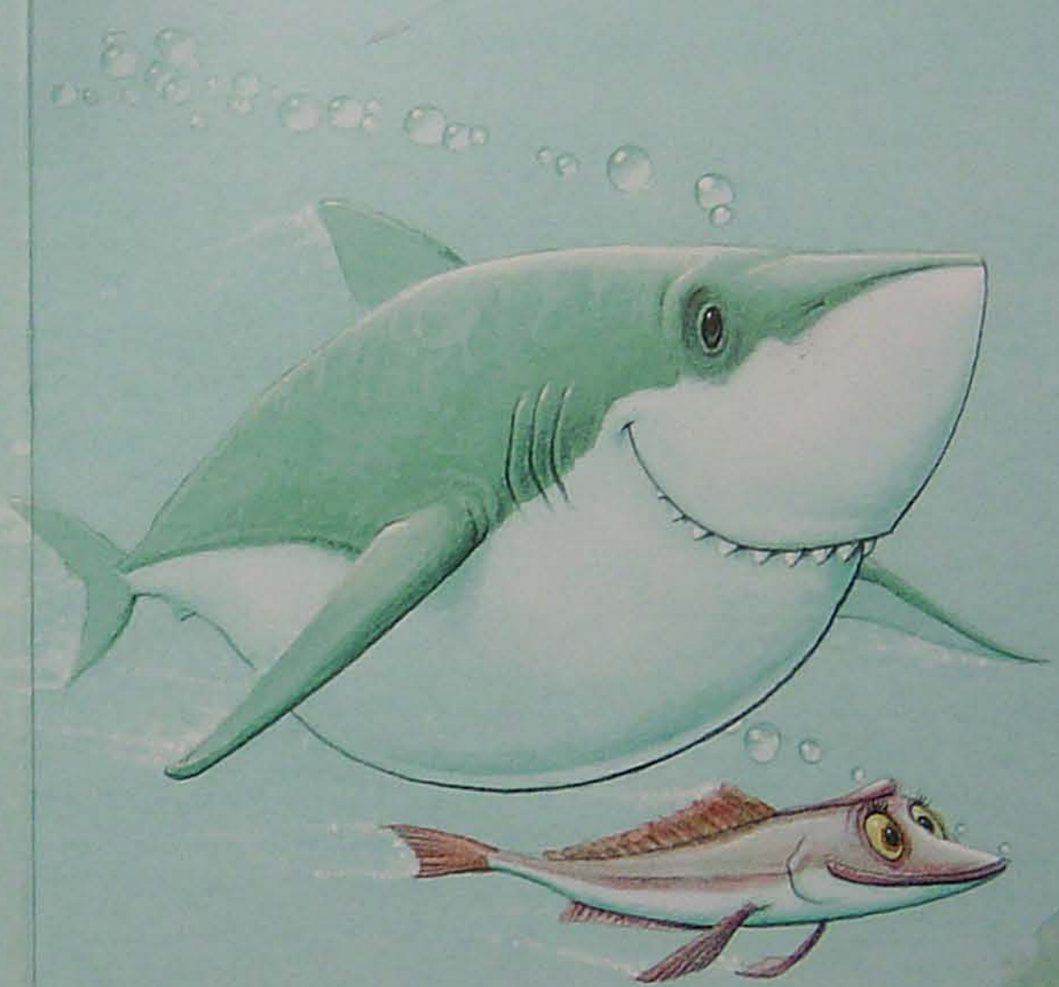

But they already knew all the nooks
and crannies in the coral reef,
and all the hiding places in the Wreck.

So one day after school, Gilbert asked his mother,
"Mum, can we go and play hide-and-seek
on the other side of the reef?"

"If you like," Mrs Munch smiled. "But be sure
to be back before the sun goes down.
And don't go over the Edge!"

Gilbert and Rita swam off happily.
