TRIP'S HATS
The sweetshop sells lollipops that sing to you, goblin gobstoppers, and witches' toffee that turn your ears from red to blue.
Over there are the butcher, the baker and the candlestick maker.
Here's the hat shop.
A hat can change your life,
make you a queen for a day.
Or a king for tomorrow.

Do you mind if we pop in here? I need a pair of slippers.

Can you see any? Oh, I just love fairy shoes! They put a sparkle in a fairy's step and keep us light on our feet.

You can't go shopping in Silverbell Street without visiting Ali Baba's shop. It's a treasure trove!

I'm looking for a magic mirror, an old oil lamp, three beans, a broom, a clock that strikes midnight only, and a tinderbox...

LOUNGE LIZARD
This shop here has embroidered waistcoats stitched by mice.
This is the pet shop where pets choose their owners.
There's a shop with made-to-measure suits for wolves, hunting jackets for foxes, and dressing-gowns for dragons.

Oh good, it's time for elevenses.
Mr Wolf has his breakfast here every day. Don't be put off by the bats' brew – they do some very tasty buns as well.
Now, let's see who's in here that we might know.
