WE CAN!

MAKE A DIFFERENCE

Alexandra Strick • Steve Antony

WE CAN MAKE A DIFFERENCE
WE CAN Festival
ART stuff
We want to live in a world we can be **PROUD** of.

We want a **KIND** world.

We can…

share a smile,

offer a helping hand,

try to understand other people's feelings

and accept everyone just as they are.

We want a **GREEN** world.

We can…

walk, wheel or cycle,

plant loads of seeds,

find ways to re-use or recycle,

and help make wherever we live a place to be proud of.

We want to help our **PLANET**.

We can…

help protect animals and their habitats,

look after our forests

stop polluting rivers and seas,

and try to live in harmony with nature.

We want an **EQUAL** world.

We can…

share what we have

let everyone be themselves,

say no to hating and hurting,

and work towards a world where everyone has what they need.
