The Dot

1

The artist begins
with a single dot,
the first touch
of pen on paper.

It is a tiny point in the
massive galaxy of art.

The dot is the building
block of all creation.

It is a magical seed,

which the artist plants,

with the tip of their wand.

A marvellous spark.

The beginning of a work of art.

.From
the dot,
to the line!

The Line

2

The line is found everywhere.
It outlines all things.

It is a race on paper, drawing
a path that does not yet exist.
