Glossary

donga	A deep erosion gully caused by stormwater runoff
Indvuna	Headman of a community or clan
kraal	A group of huts belonging to an extended family

‘It’s near here.’ said Jacob, as he led us deeper into the forest. He pointed at a bush and said, ‘The big butterfly I was following landed just there.’

We were searching for a forest clearing that Jacob said he had come across while looking after Induna Meyego’s cattle up on the mountain.

Monica had convinced us we needed to find a secret hideaway for our afternoon classes. ‘Our arch-enemy, Samu, will want to get revenge on us for framing him for stealing the buns,’ she said. ‘If he finds out about our afternoon classes, he will try to disrupt them.’

The trees were getting thicker and thicker. And it was getting darker and darker.
