Doodle and Dot are best friends. They do everything together. Most of all, they love making things. Today, they are drawing shapes.

And circles are great! A circle can be so many things . . . a hula hoop, an orange, a sun . . .
. . . a window!

Even though Doodle and Dot are best friends, they don't ALWAYS agree.

Oh Dot, we forgot about TRIANGLES! I LOVE triangles. And with triangles we can create . . . triangle aliens!

Doodle, no! Triangle aliens sound like trouble!

But Doodle is now having too much fun drawing to listen to Dot.

Doodle and Dot are zooming through space . . . but can you see who else has come along for the ride?

I feel space sick.
Look at all these planets! Let's land on that one down there.
