Tomorrow would be the start of a new year at the School of Nine Wishes. The fairy friends knew that the best part about going back to school was starting the term with brand-new goodies!

Holly had chosen pretty hairclips to match her brand-new dress.

Winnie had chosen an extra-large school bag.

And Felicity had picked out a special pair of extra-sparkly school shoes.

As Miss Sweeping tried to call the register the first morning at school, her voice could hardly be heard above the excited fairies' chatter.

Fairies everywhere had fresh summer sunshine tans, brand-new crowns,

and bags that brimmed with holiday souvenirs.

Felicity and her friends had gone up in school a year. They would no longer be junior, novice fairies.

"I'm so happy to be back!" said Felicity, hugging all her friends at once.
