Build the word "skip" using the cards below. Change one sound to make a new word. You may need to add, take out or change a sound in the word. Listen carefully to the new word and change it according to how it sounds. The word may be a real word or a nonsense word. Repeat until you have returned to the original word "skip".

k	o	t
i	p	e

Ask the pupil to build the word "skip", using the cards and instructions above. Once the pupil has built the word, ask them to read it. Complete the activity until the pupil has returned to the original word "skip". For example: skip – slop – sop – up – slip – slop – sop – op – lop – lops – let – slet – slit – skip.
