

Dinosaurs

with transparent pages

My First Discovery Paperbacks

Brachiosaurus

Millions of years ago
dinosaurs roamed
the Earth.

Some were as small as birds,
others weighed as much as...

Saltopus

...twelve elephants!

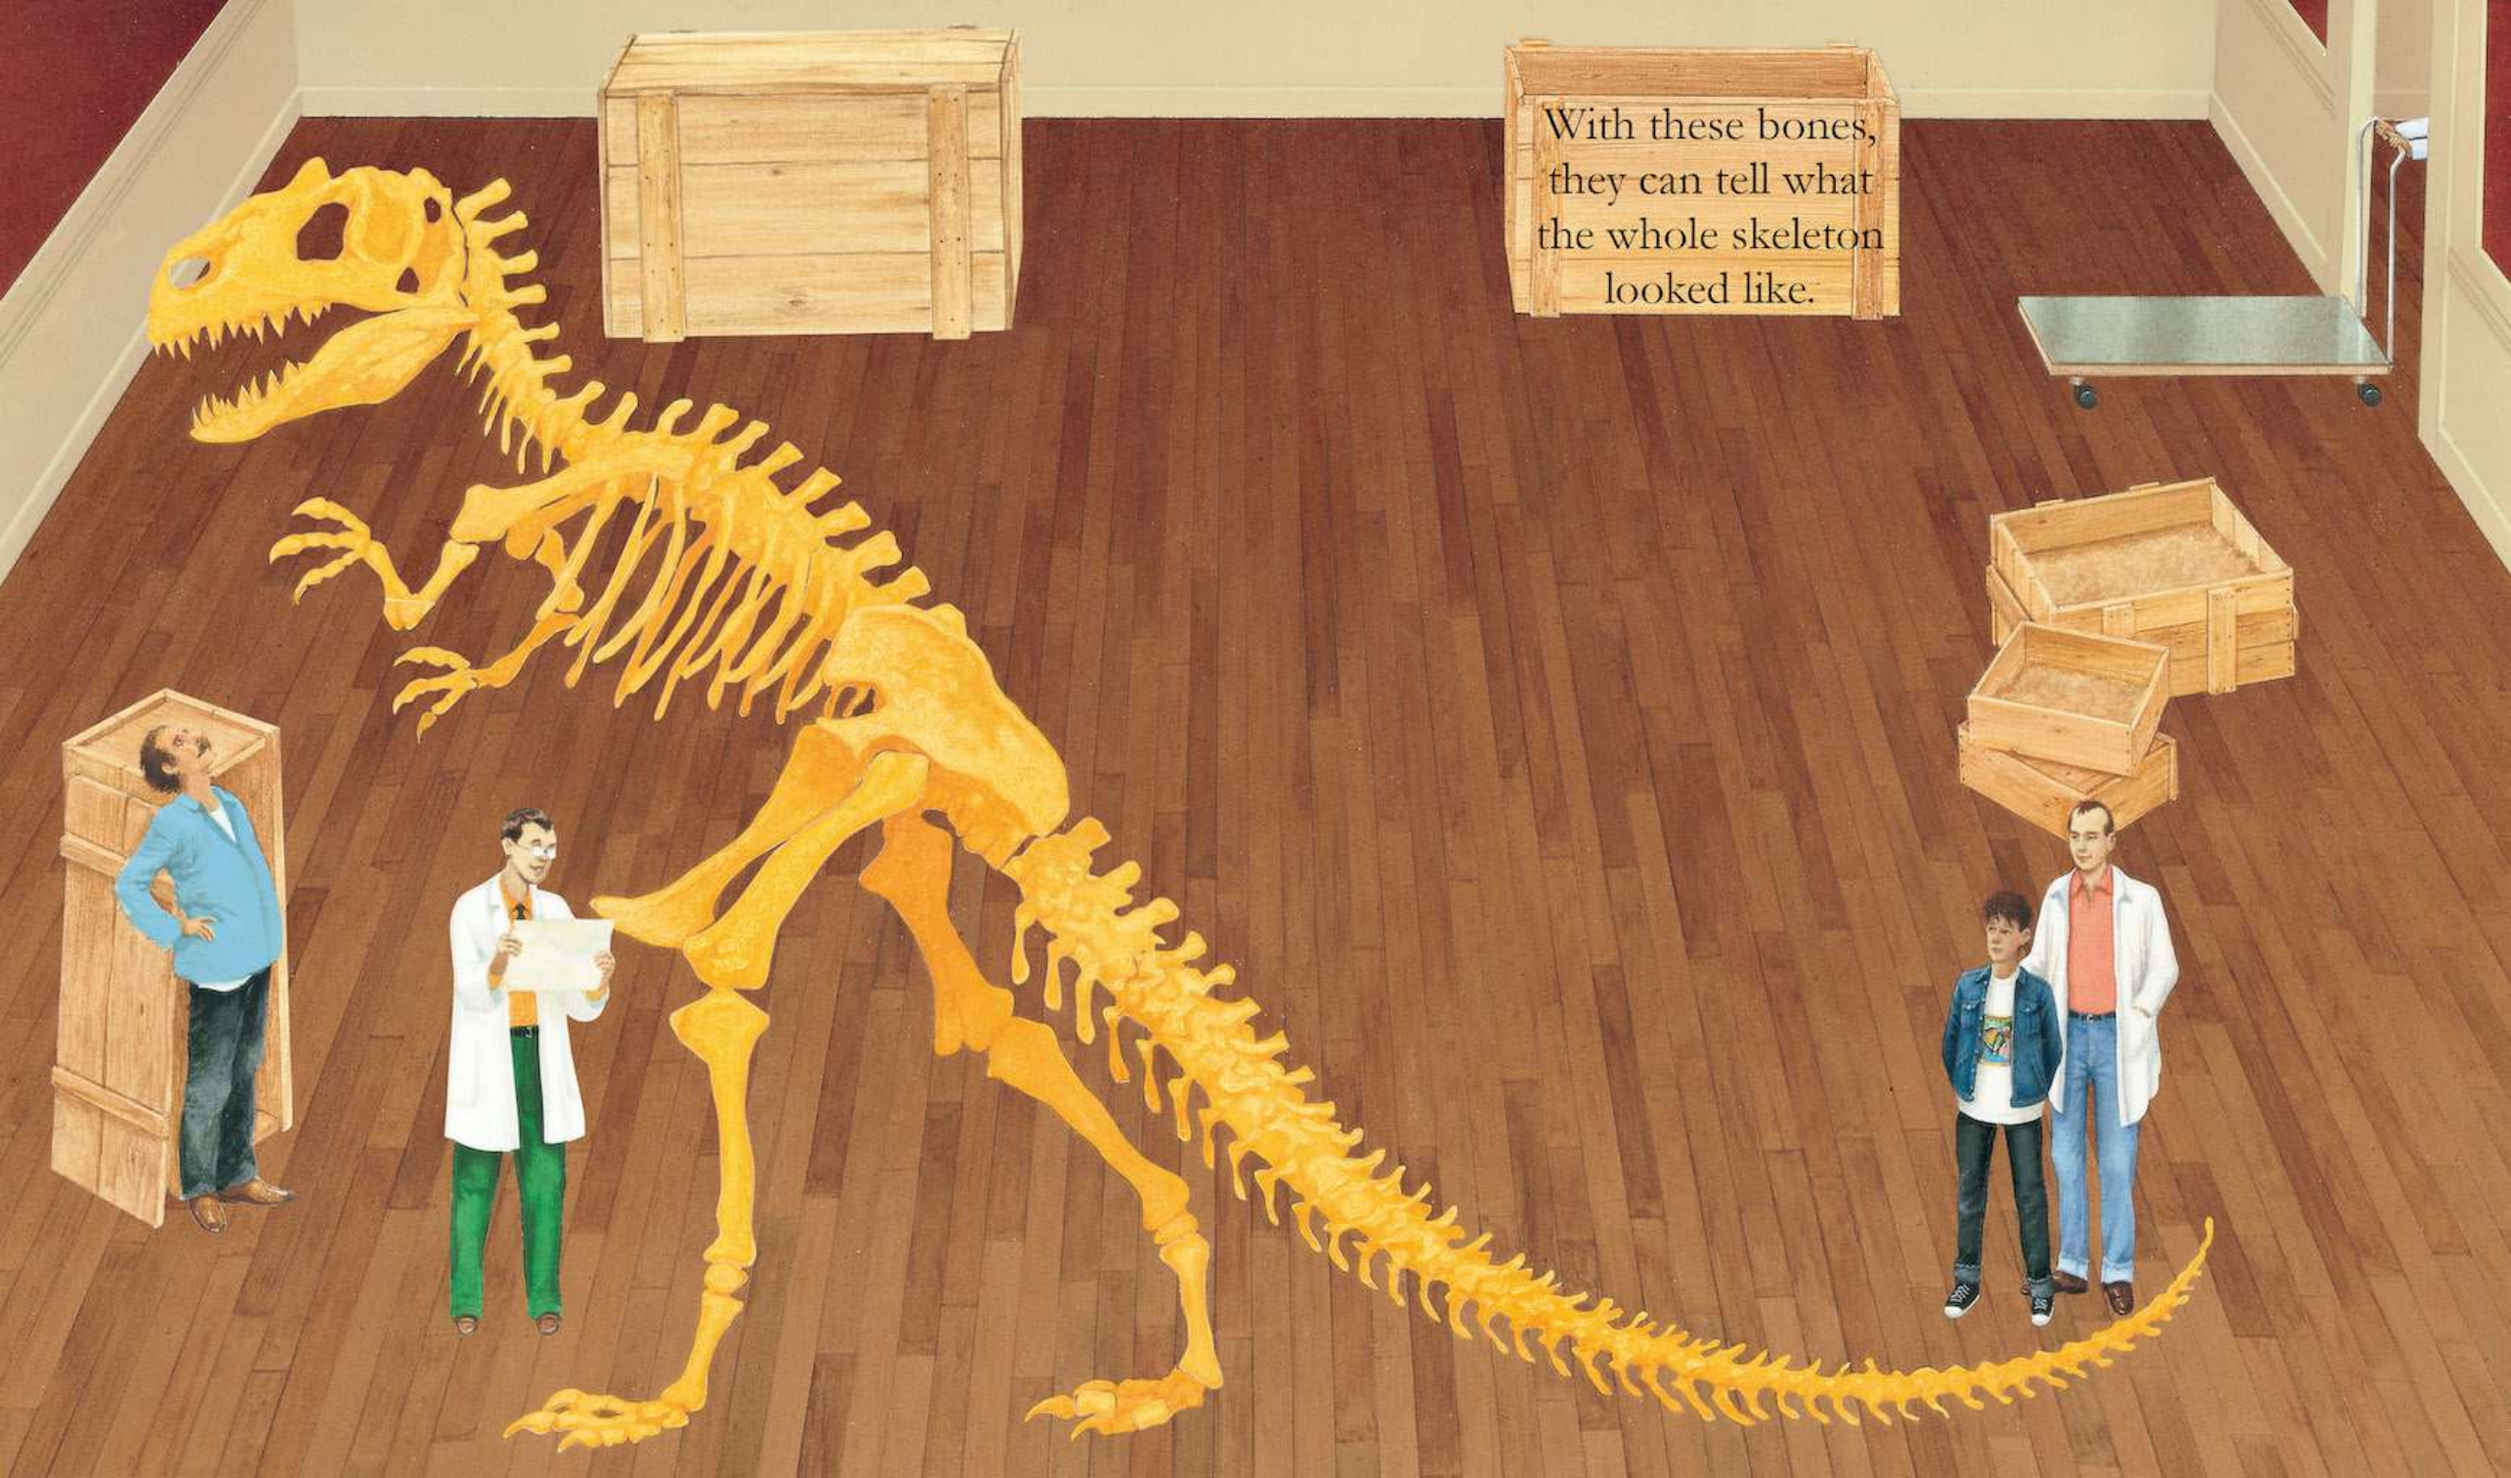

Brachiosaurus

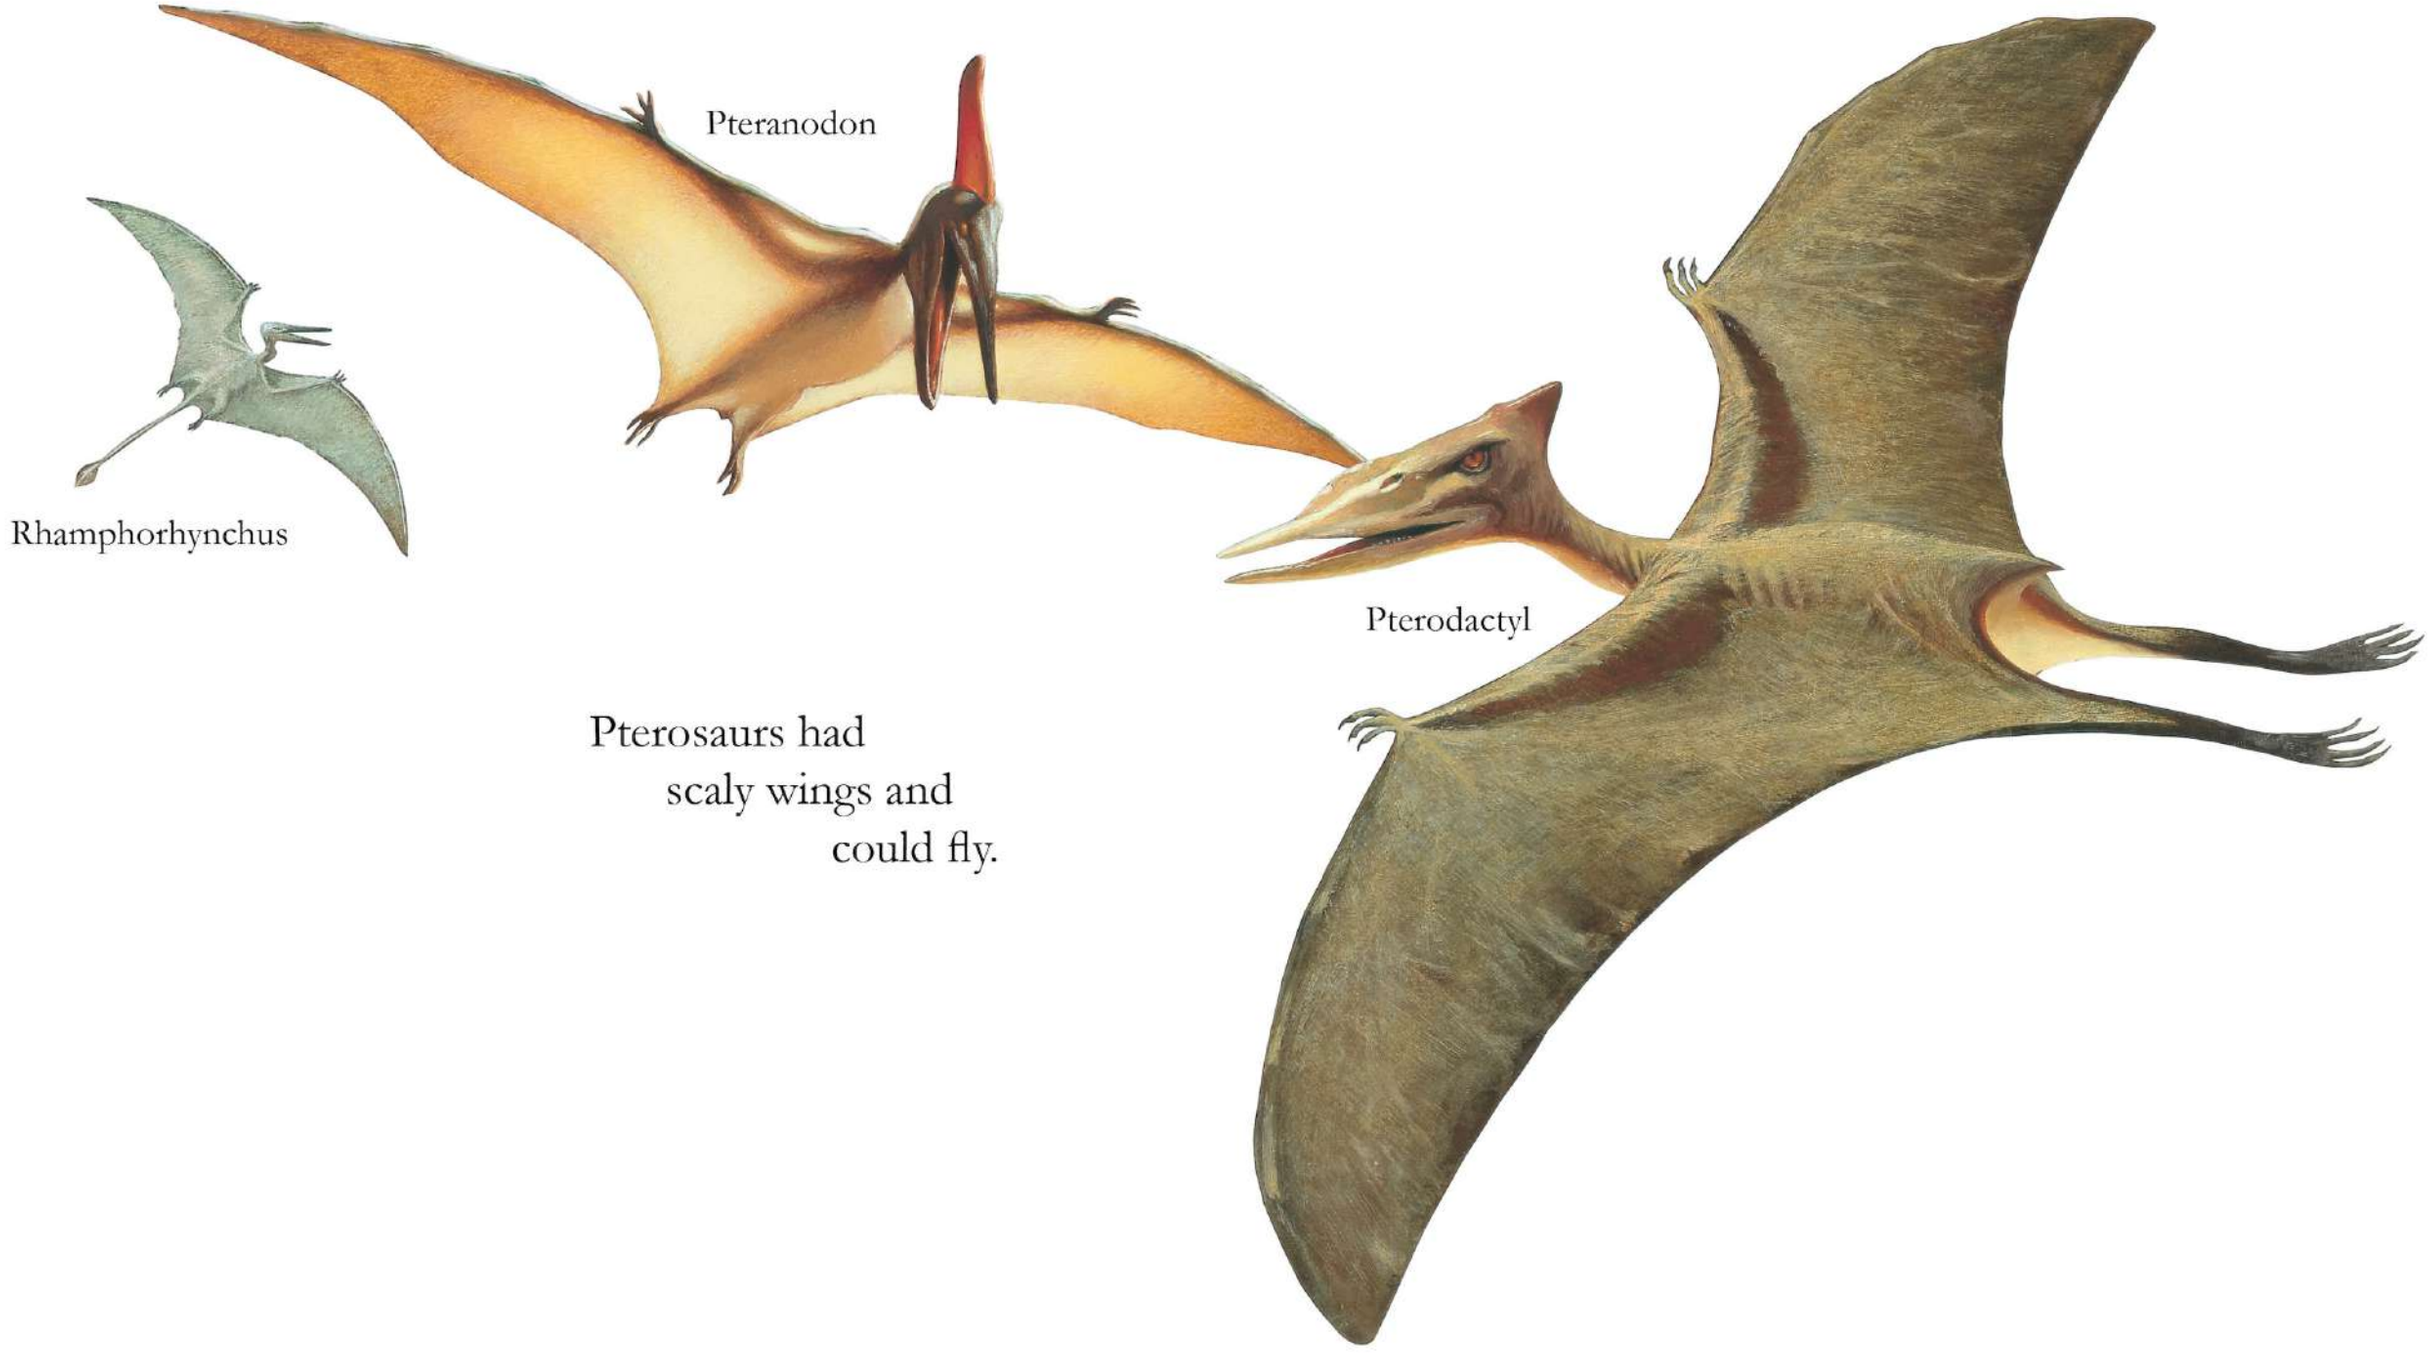

Some dinosaurs
were as small as birds,
others weighed as much as...

Saltopus

With these bones, they can tell what the whole skeleton looked like.

Pterosaurs had
scaly wings and
could fly.
