

Dinosaurs

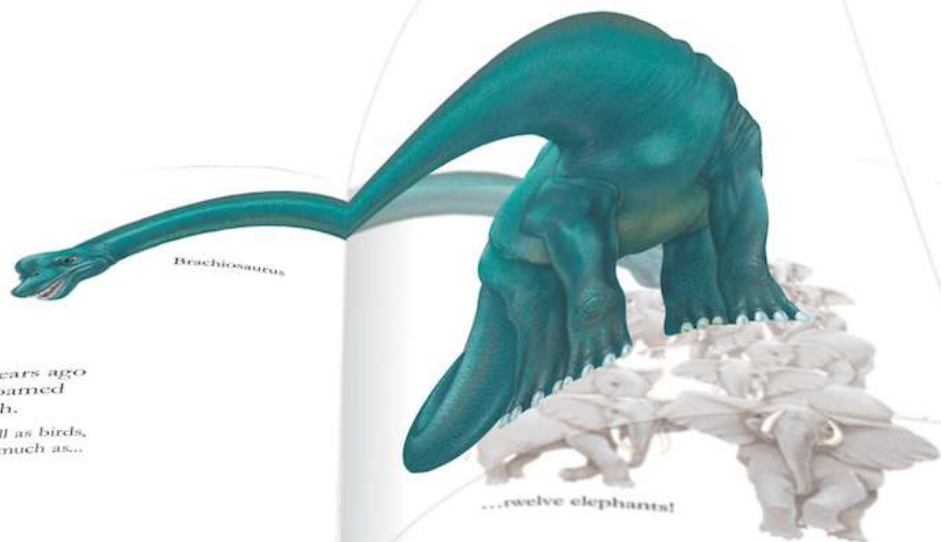

My First Discovery
Paperbacks

with transparent pages

Millions of years ago
dinosaurs roamed
the Earth.
Some were as small as birds,
others weighed as much as...

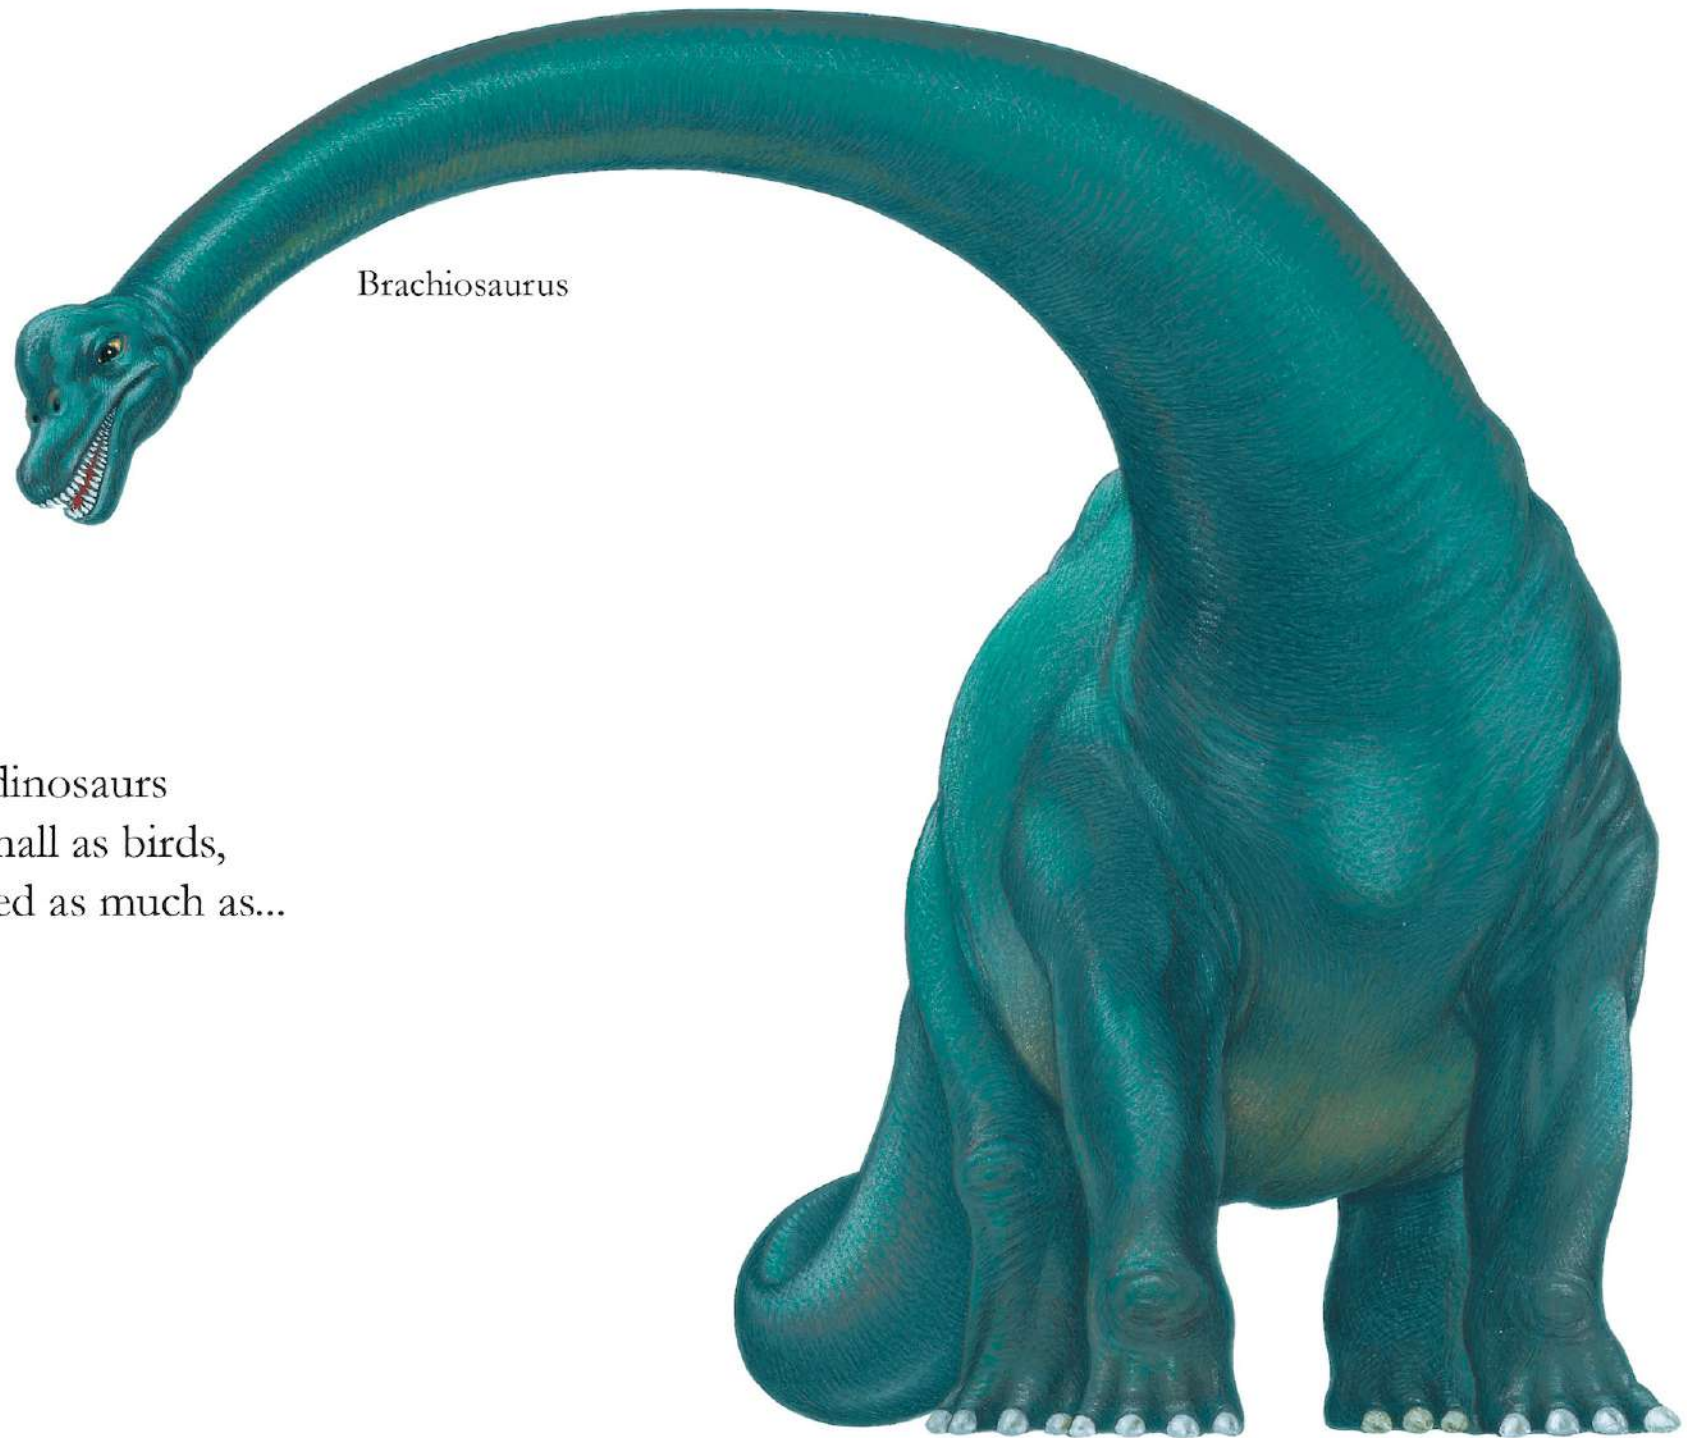

Saltopus

Brachiosaurus

...twelve elephants!

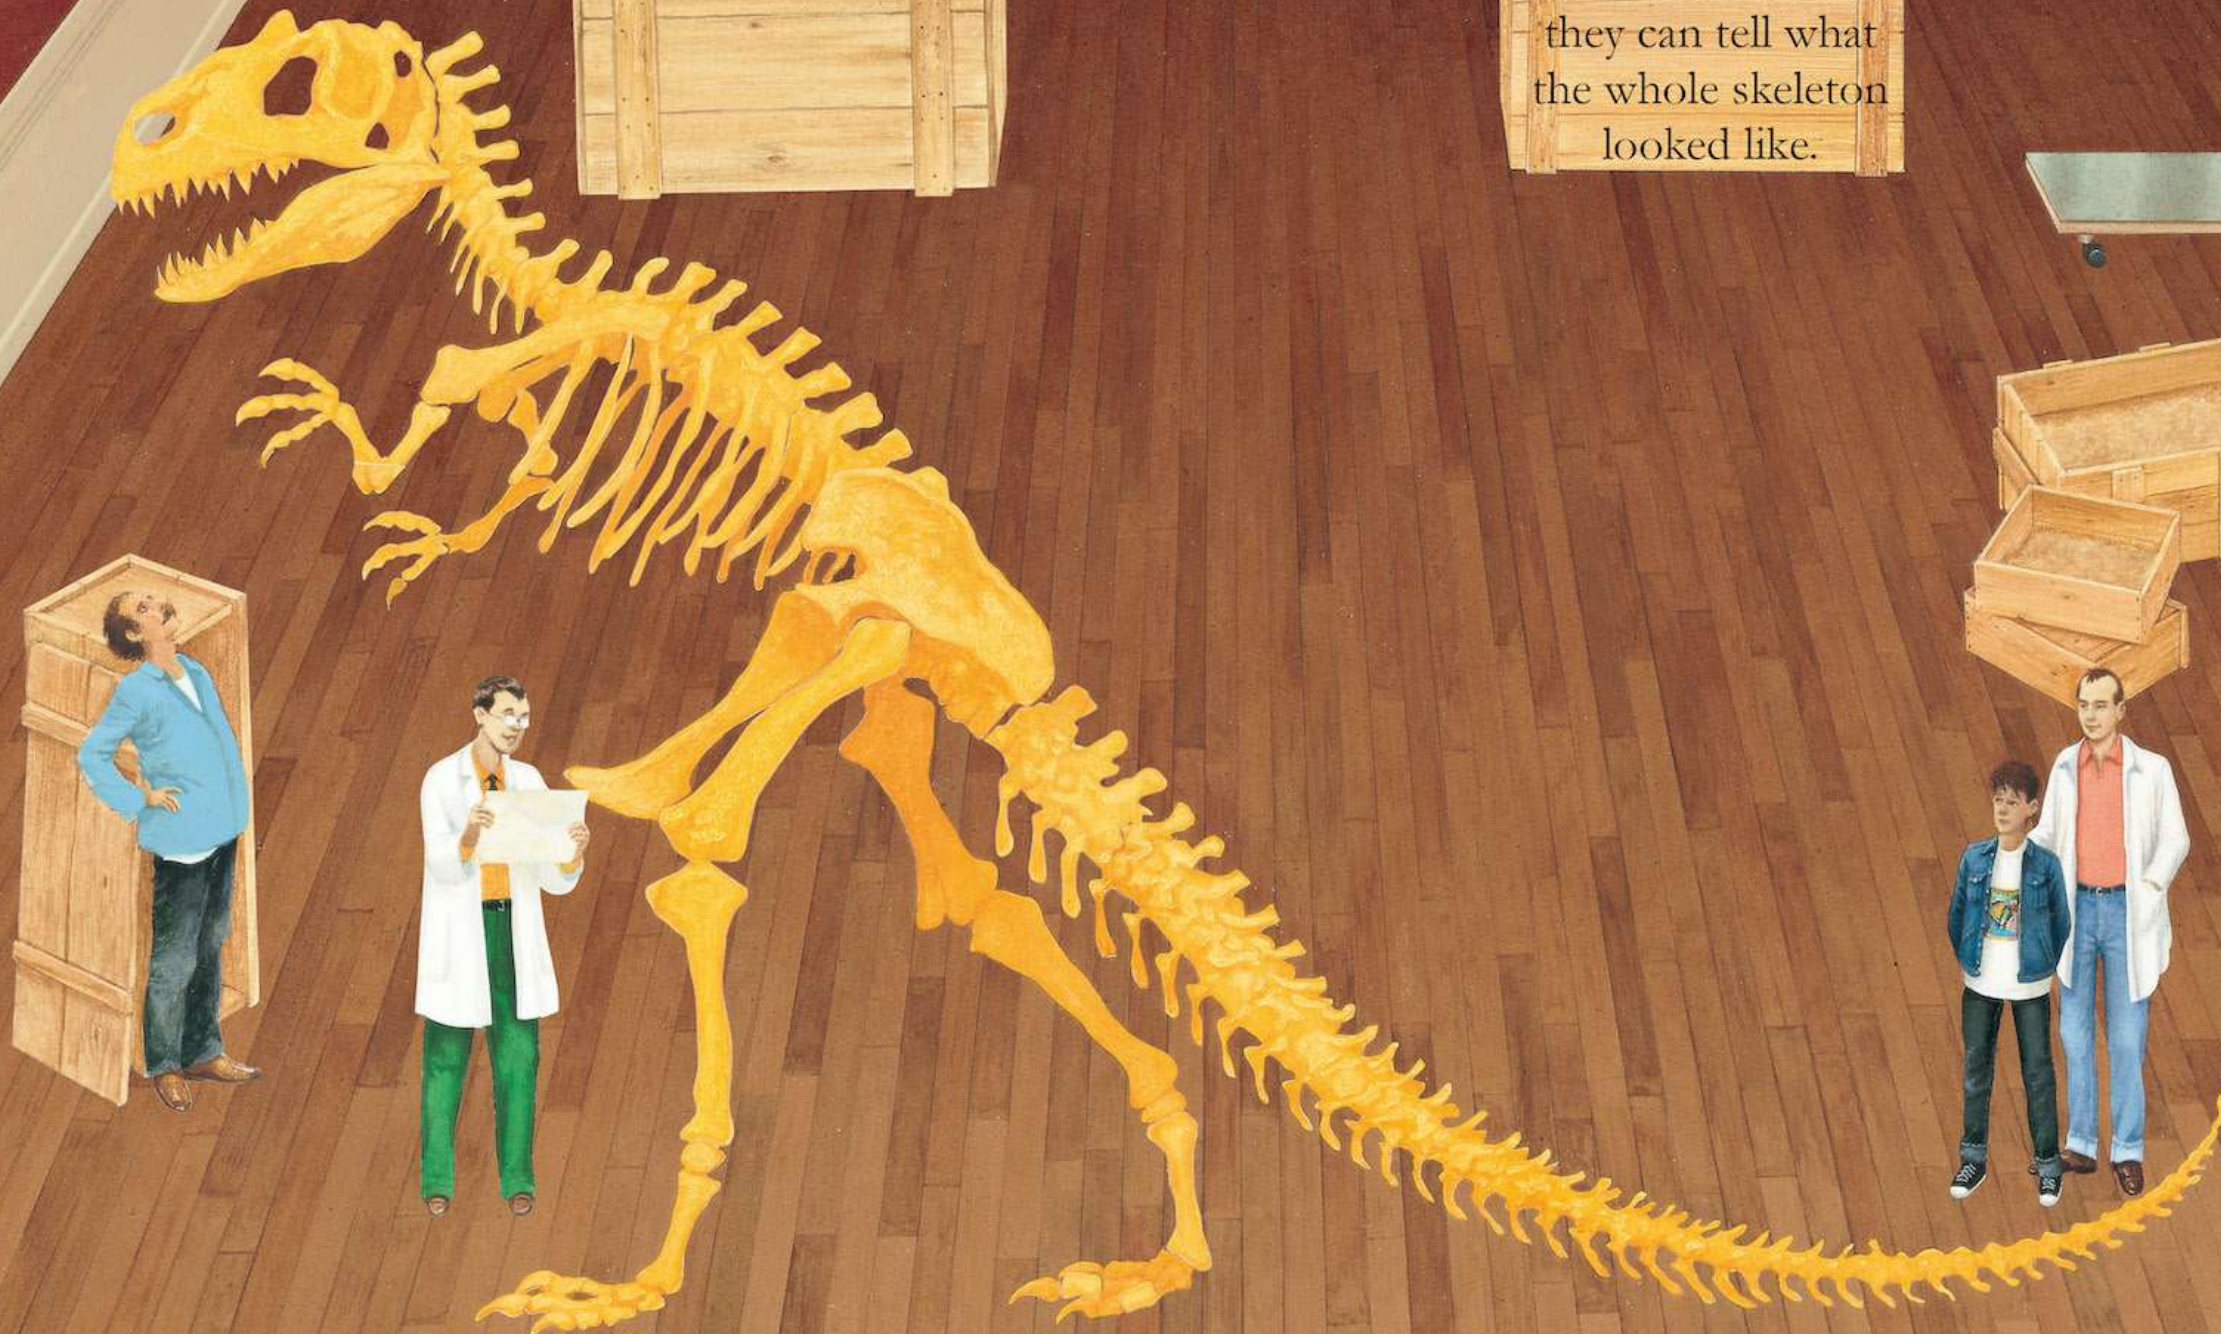

Brachiosaurus

Some dinosaurs
were as small as birds,
others weighed as much as...

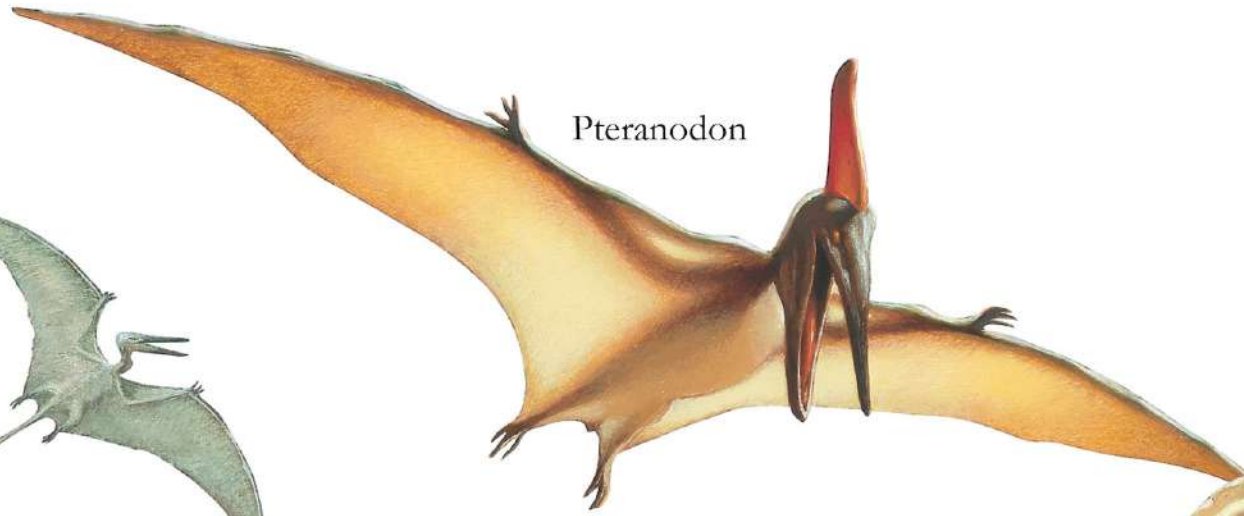

Saltopus

With these bones,
they can tell what
the whole skeleton
looked like.

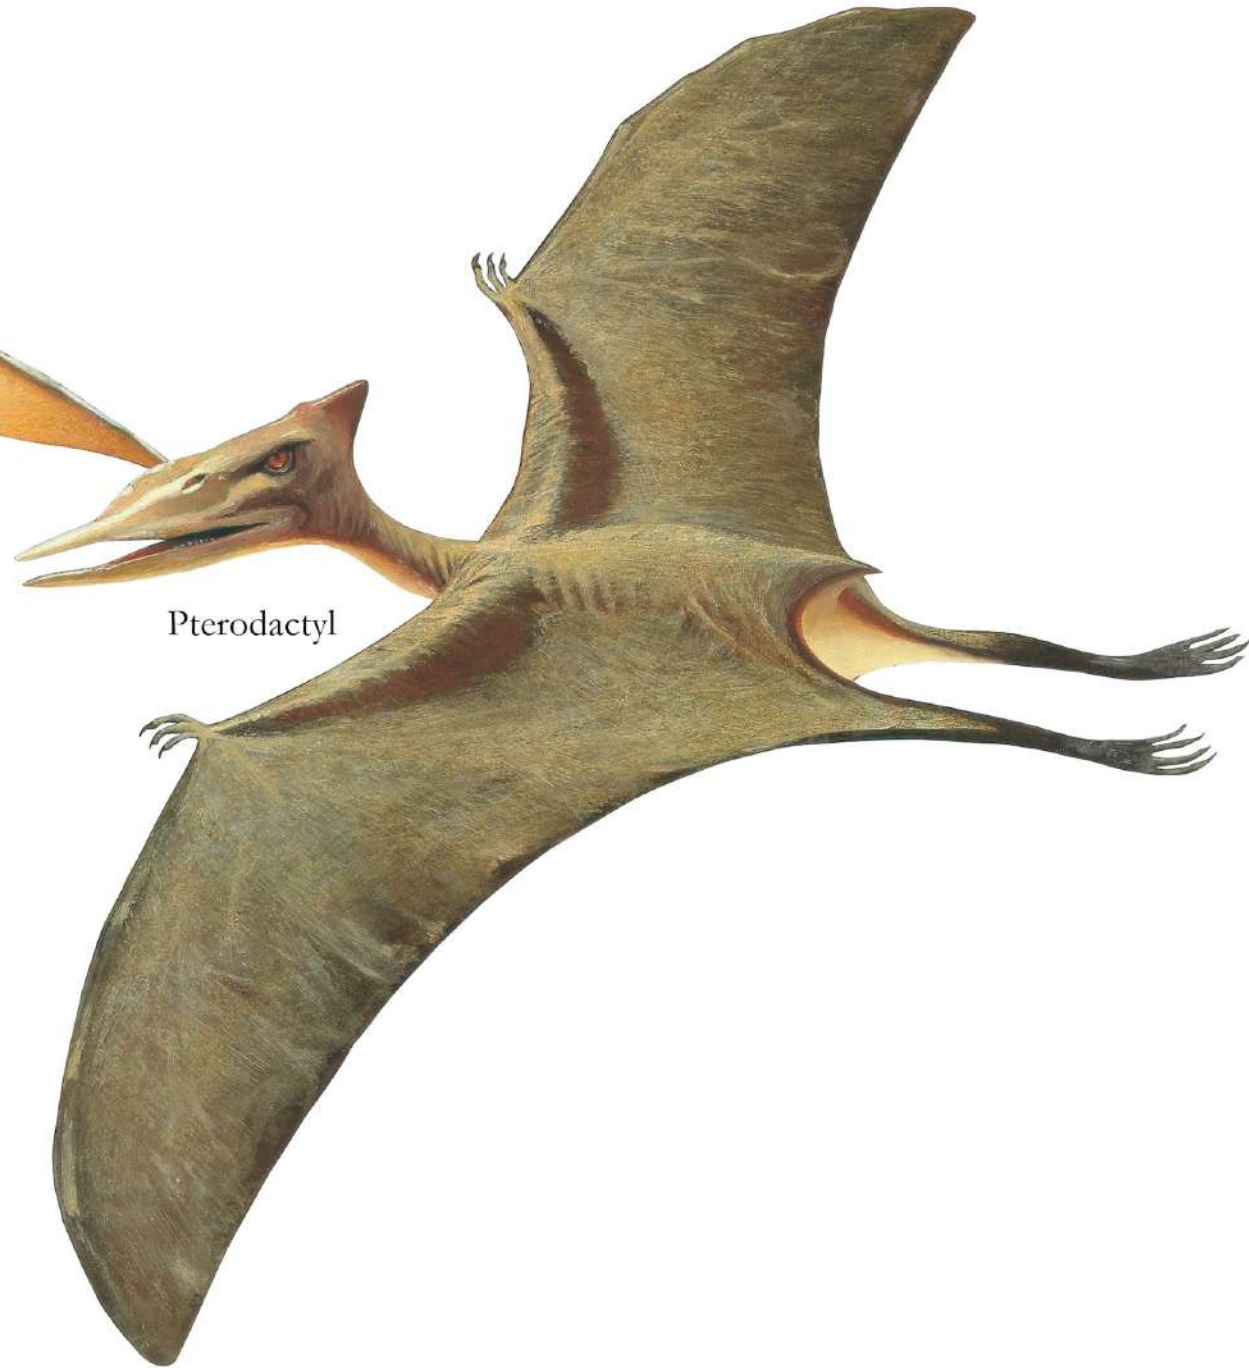

Rhamphorhynchus

Pteranodon

Pterodactyl

Pterosaurs had
scaly wings and
could fly.
