Weather School was a whirlwind of noise and excitement when Sunny arrived for her first day.

She *really* hoped the other Weather Tots liked her. And she couldn't wait to impress her new teacher, Professor Cloud.

'Time to **glow**,' she whispered to herself.

‘Welcome to Weather School, Sunny!’ puffed Professor Cloud.
‘This is Breezy. He’ll be your weather buddy today.’

Sunny shone them her **biggest** smile,

but it came out a bit wobbly.

‘When I feel nervous,’ Breezy smiled.
‘I take a deep breath through my nose . . .

. . . and then blow it out
through my mouth.'

'Maybe gentler breaths next time, Breezy!'
suggested Professor Cloud. 'I'll see you in the
garden for today's first lesson.'

'You can put your lunchbox in here,' said Breezy as he introduced Sunny to two more tots.
Hey, Blizz, hey, Frosty. This is Sunny.
