At his cousin's birthday party, Sammy said,
'*Happy bath-day*' by mistake, and
nearly *all* of him turned pink!

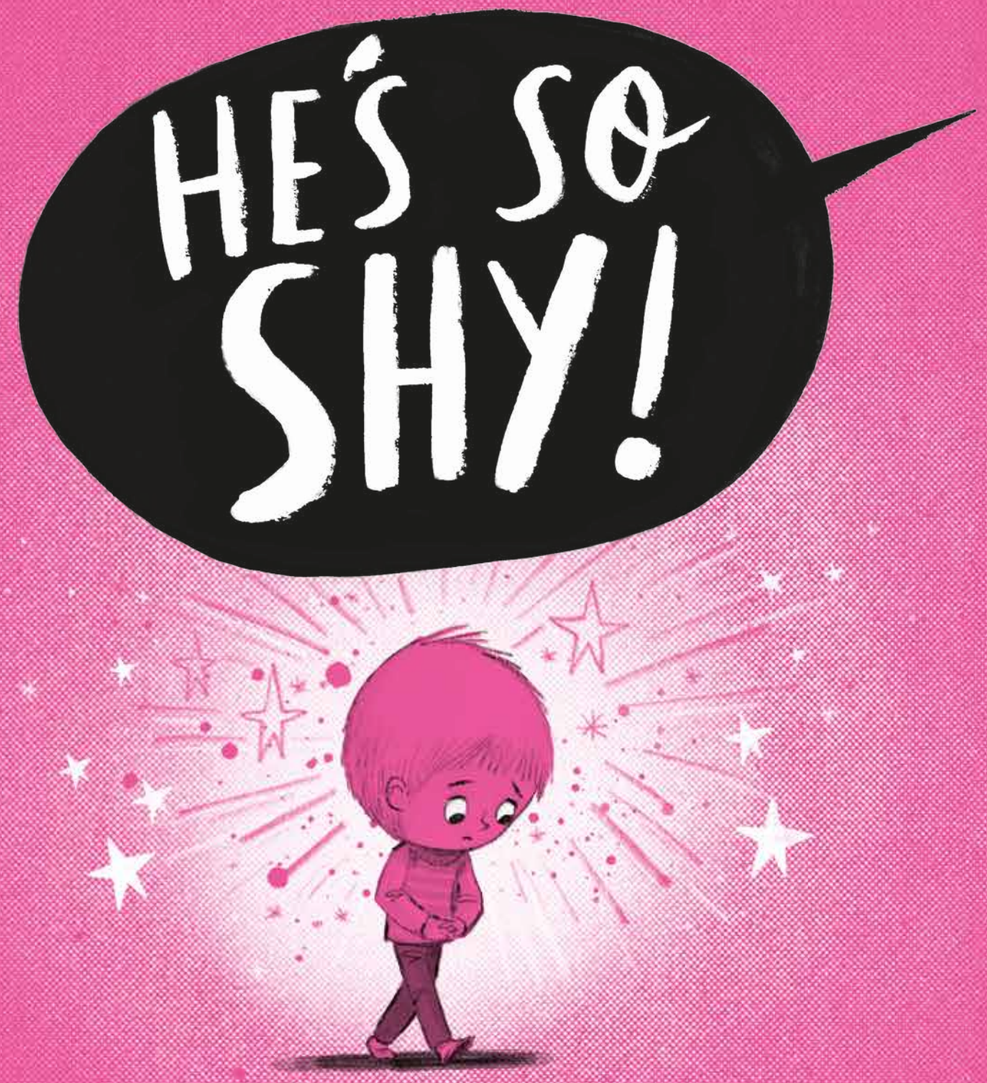

Everywhere he went,
something would go wrong.

Sammy began to feel like *everyone*
was staring at him.

And people kept saying the same thing:

It wasn't long before he had turned
a bright, vivid pink . . .

. . . ALL OVER.

Sammy felt terrible. He didn't want to see anyone or do anything.

"Hmmm . . ." said Dad, "I *think* I've got an idea . . ."
