

Alone on my rock,
I'm so happy and free,
surrounded by sun, sky and sparkling blue sea.

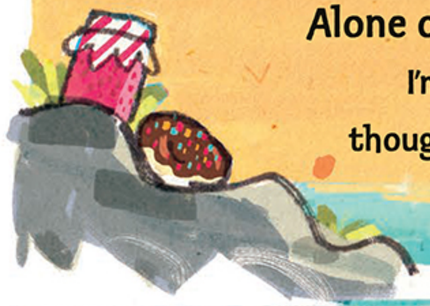

It couldn't be better.
Perfection indeed.
What more could I possibly want, wish or need?

Alone on my rock,
it couldn't be better . . .
but I might just nip back for a **warm woollen sweater.**

Alone on my rock,
how happy I am . . .
though happier still with a **doughnut** and **jam.**

Alone on my rock,
I'm totally free . . .
though at this time of day, I would like some **tea.**

paddle,
paddle,
paddle . . .

Splash,
splash,
splash . . .

And now I am done.

That is ab-so-lute-ly it.
I don't need one single thing more.

Back in a mo . . .
