MISSING FLOWER

MAGIC CAT  PUBLISHING

Hello! My name is IVY.
Ivy Holmes to be exact. I love
learning new things and solving
mysteries. I have that in common
with my grandpa...

Every weekend, Grandpa and I
go on an adventure in
Bearona. I bring my notebook,
just in case we stumble upon
something interesting.

And Grandpa says a
case can't be solved on
an empty stomach, so
we always keep snacks
handy!

Nom nom.
What's that, Ivy? Do join me
– there's a rather agreeable
biscuit here that demands
your immediate attention.

... BEARLOCK HOLMES.
He's retired now, but his
detective skills were once
legendary across our
homecity of Bearona.

Ivy and Bearlock are great at cracking cases but sometimes
they need backup. Whenever you see this magnifying glass,
help them solve the puzzle.
