

Get stuck in!

Carefully remove the sticker sheets from the back of your book, then follow the story and add in stickers along the way.

Every sticker page has different pictures and words to choose from. Make sure to look through all your sticker sheets to find all the options for each page and have fun making your own stickery story!

NOTE! These stickers will stick permanently, so choose wisely... or not, it's your adventure after all!

Stickery Stories

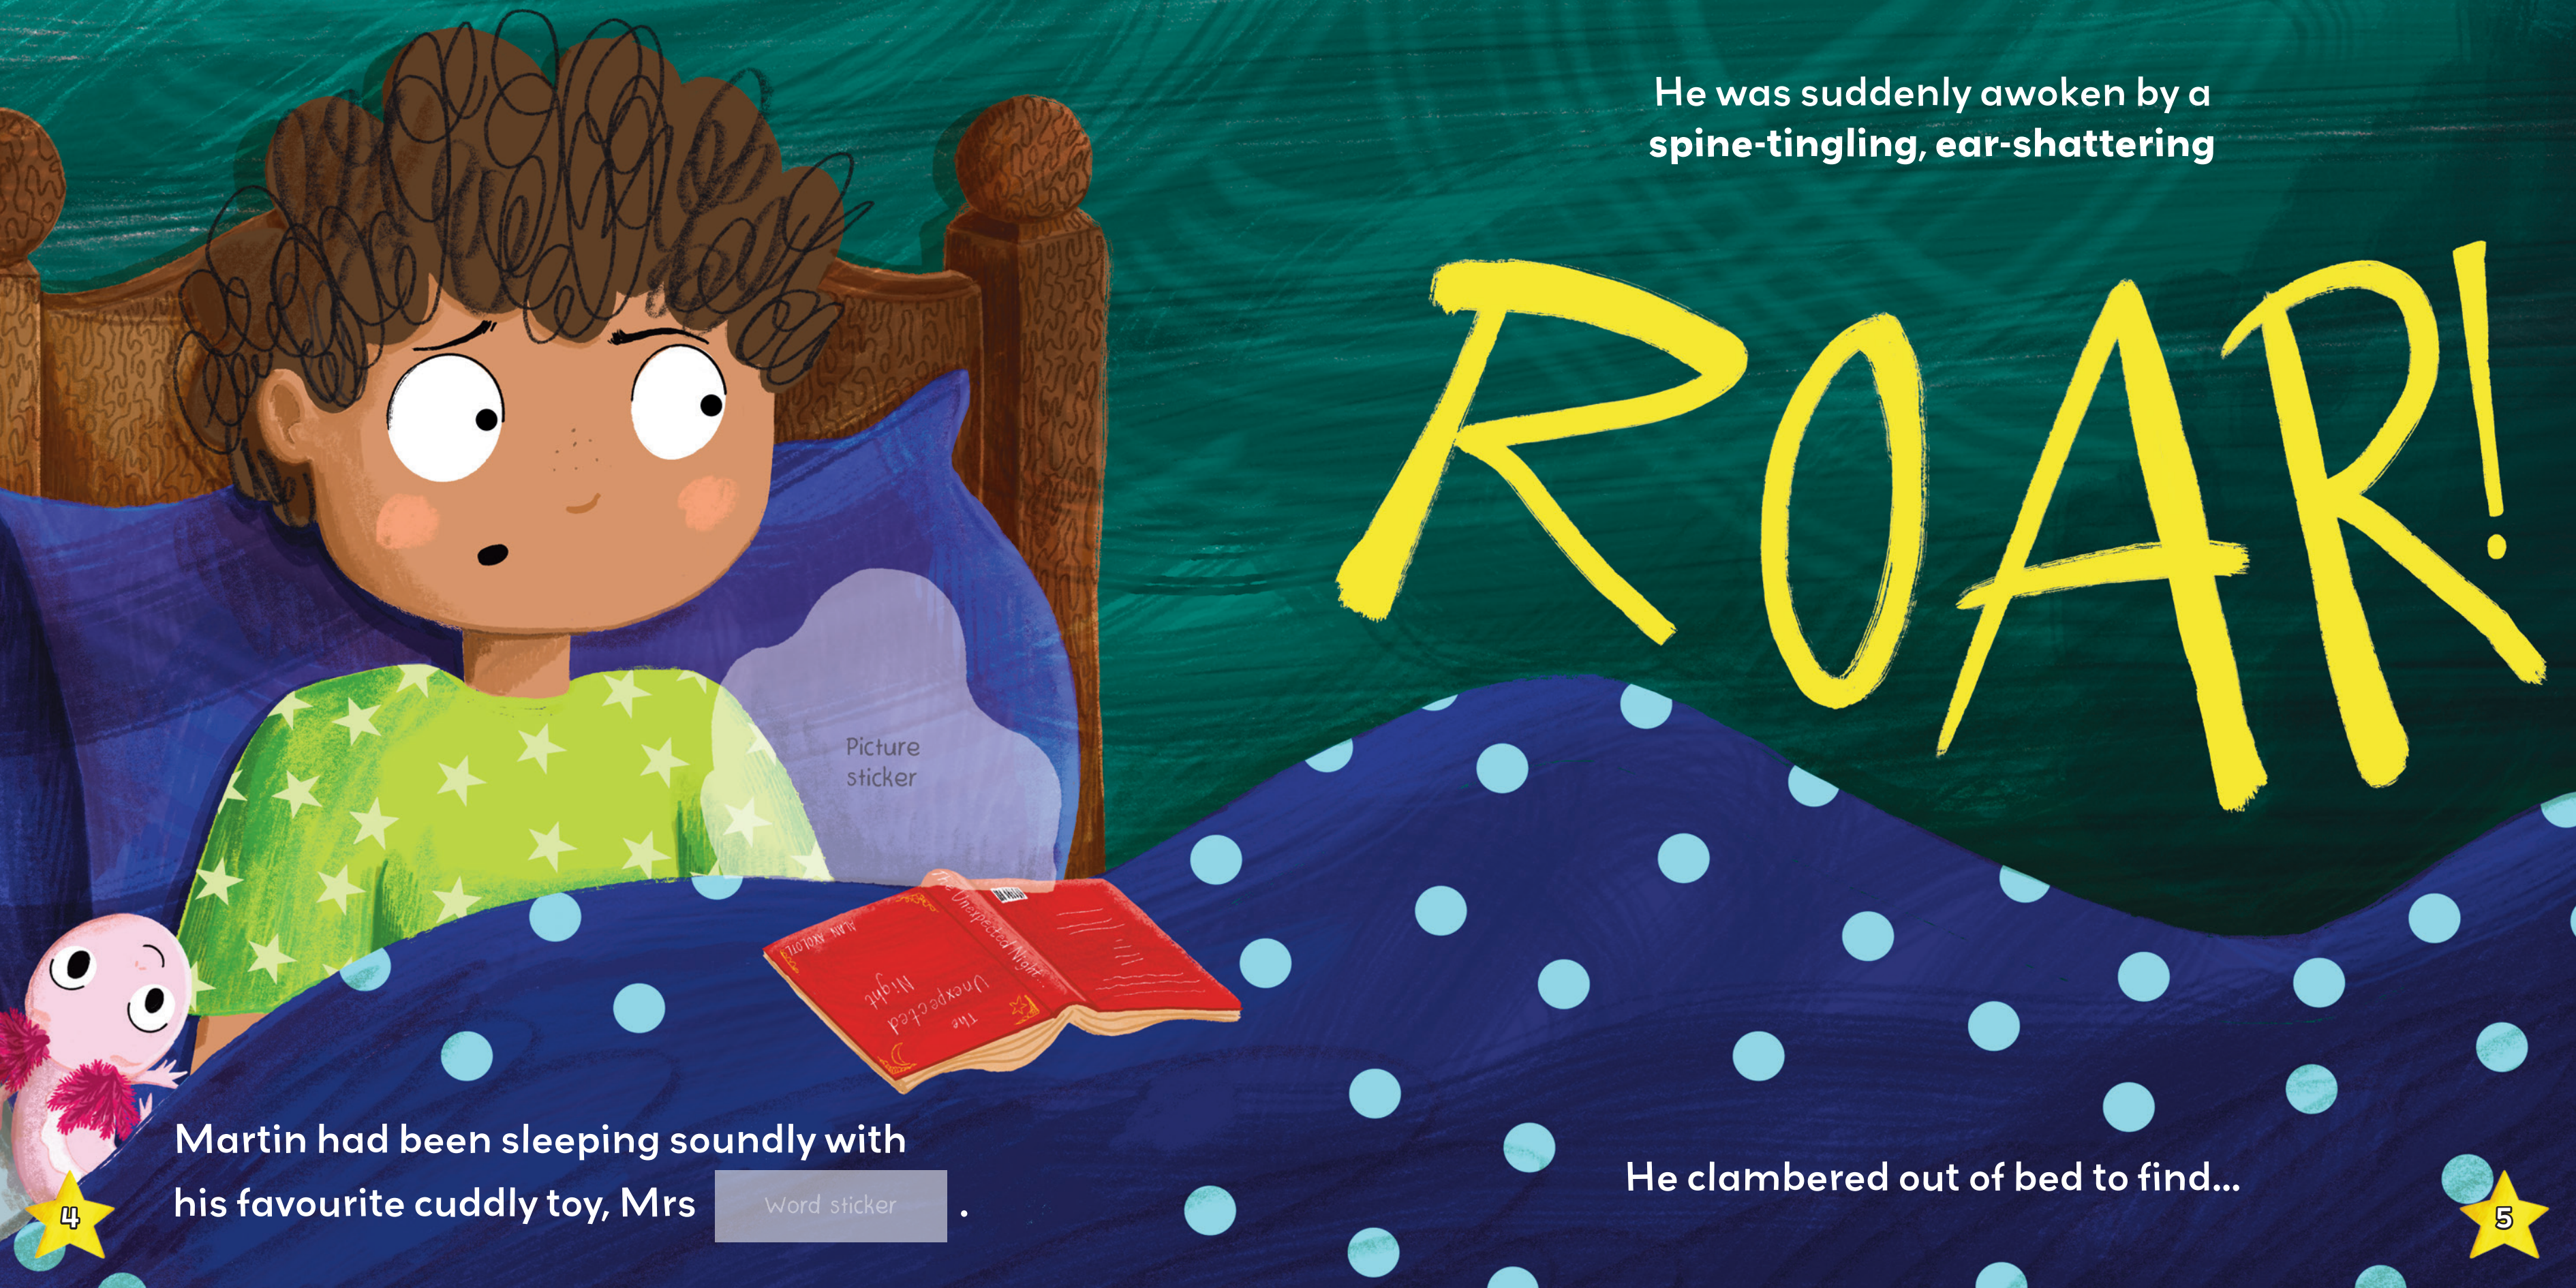

MARTIN

and the **MYSTERIOUS
THINGAMABOBS!**

Written by
Elizabeth Davies

Illustrated by
Lily Fossett

He was suddenly awoken by a spine-tingling, ear-shattering

ROAR!

Picture sticker

Martin had been sleeping soundly with his favourite cuddly toy, Mrs

Word sticker

He clambered out of bed to find...

Wow! It's a ginormous, towering

Word sticker

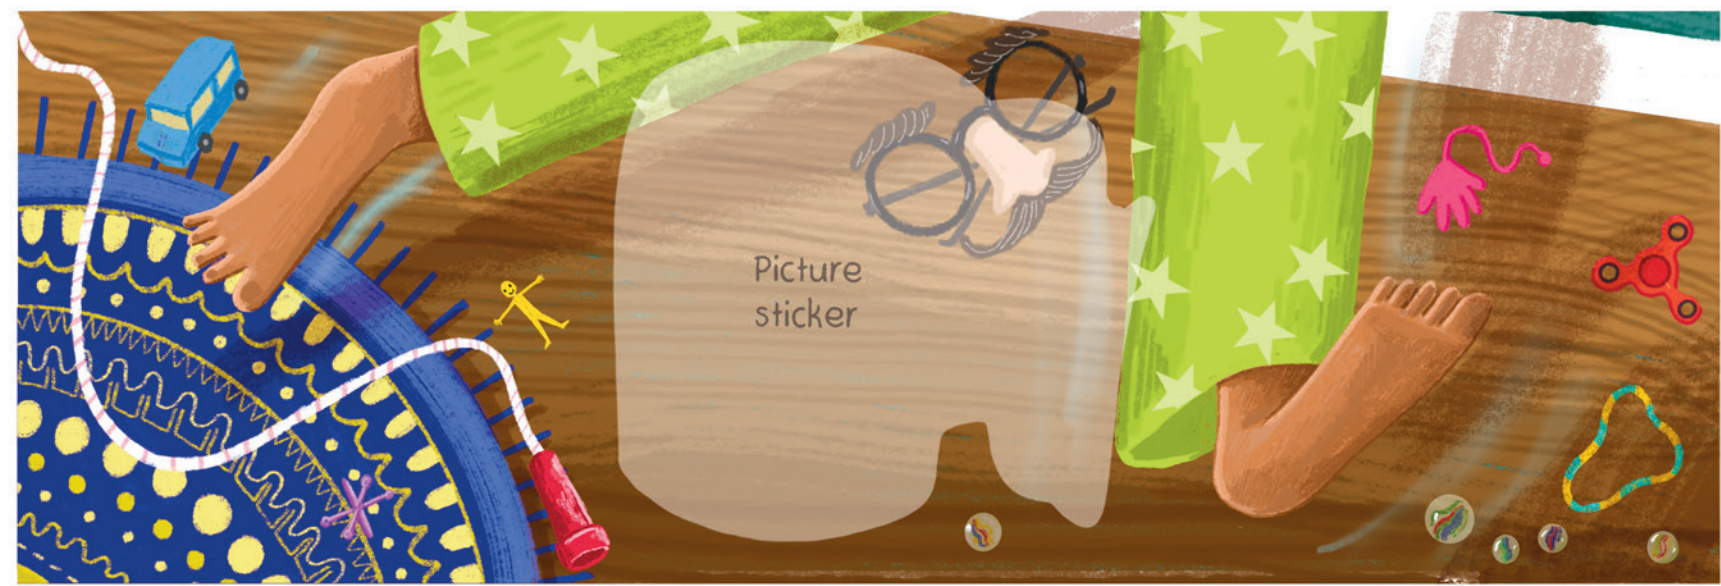

But how did it get in the garden?

Time to investigate!

He rushed towards his bedroom door to get a closer look at the garden thingamabob...

...but tripped on an **unexpected** and rather **grumpy** .

Word sticker

A large, empty rectangular frame with a thick yellow border, intended for a drawing. The frame is composed of two parallel yellow lines, with small circles at the corners suggesting fasteners or decorative elements. The interior of the frame is white and completely blank.
