Felicity Wishes was looking forward to the first day of her last term at the School of Nine Wishes. She'd spent ages choosing what to wear and had finally settled on a pink dress. She almost always chose pink as it was her favourite colour.

She had her new pink pencil case,

a new pink school bag,

and a brand-new pink diary to keep all her secrets and wishes safe.

The only thing left to decide was what kind of fairy she wanted to be!

When Felicity arrived, all her friends were fluttering around the school gates, gossiping and giggling. 'I can't believe this is our last term, ever!' said Felicity's best friend, Polly.

'I can't believe I don't know what I want to do when I finish school!' said Felicity nervously.

Poor Felicity! School hadn't always been a great success.
Her maths didn't add up.

She was
behind in
history.

She didn't know where she was in geography...
