Waterford is an okay place to live I suppose.

That's my twin brother, Ludo. A real sophisticate as you can tell...

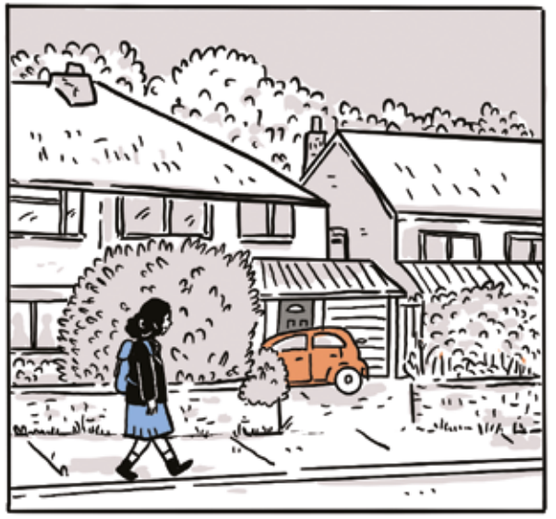

It's tricky being a twin. I've always lived in Ludo's shadow.

My auntie Jan said I looked like a potato when I was born.

I was the size of a potato too. It turns out Ludo ate all my food in utero.

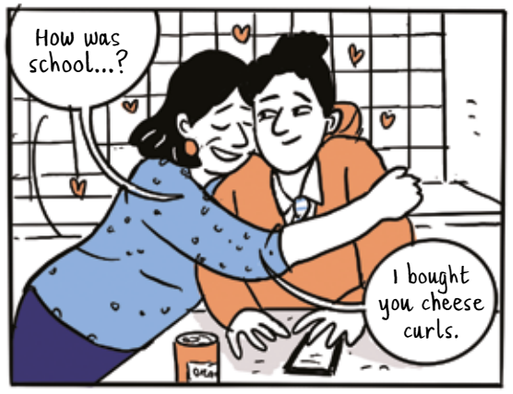

And continues to do so now... Metaphorically of course.

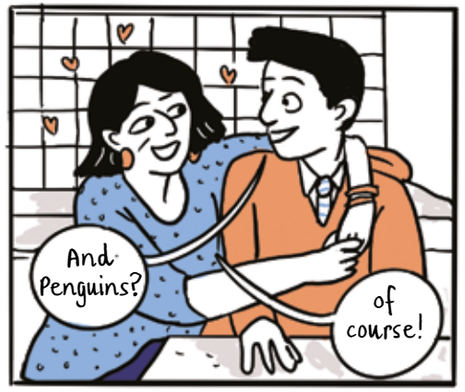

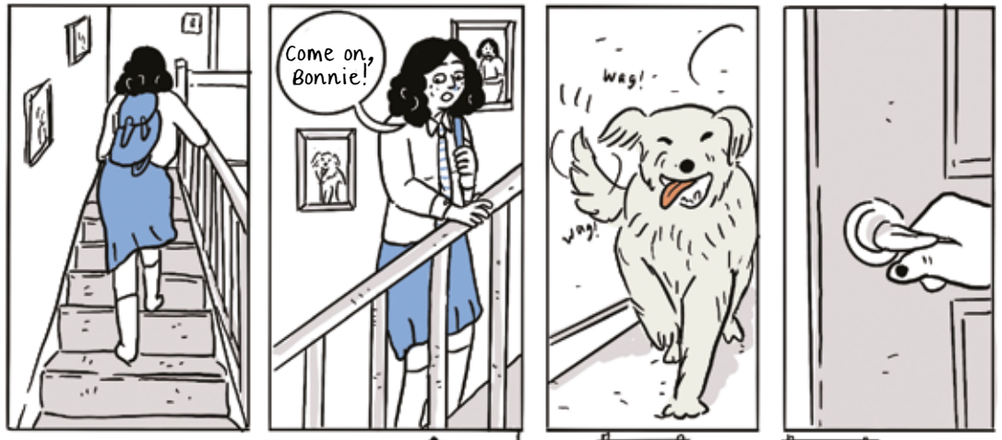

ok.
Maybe not just metaphorically.

Sometimes everything feels so heavy and uncomfortable.

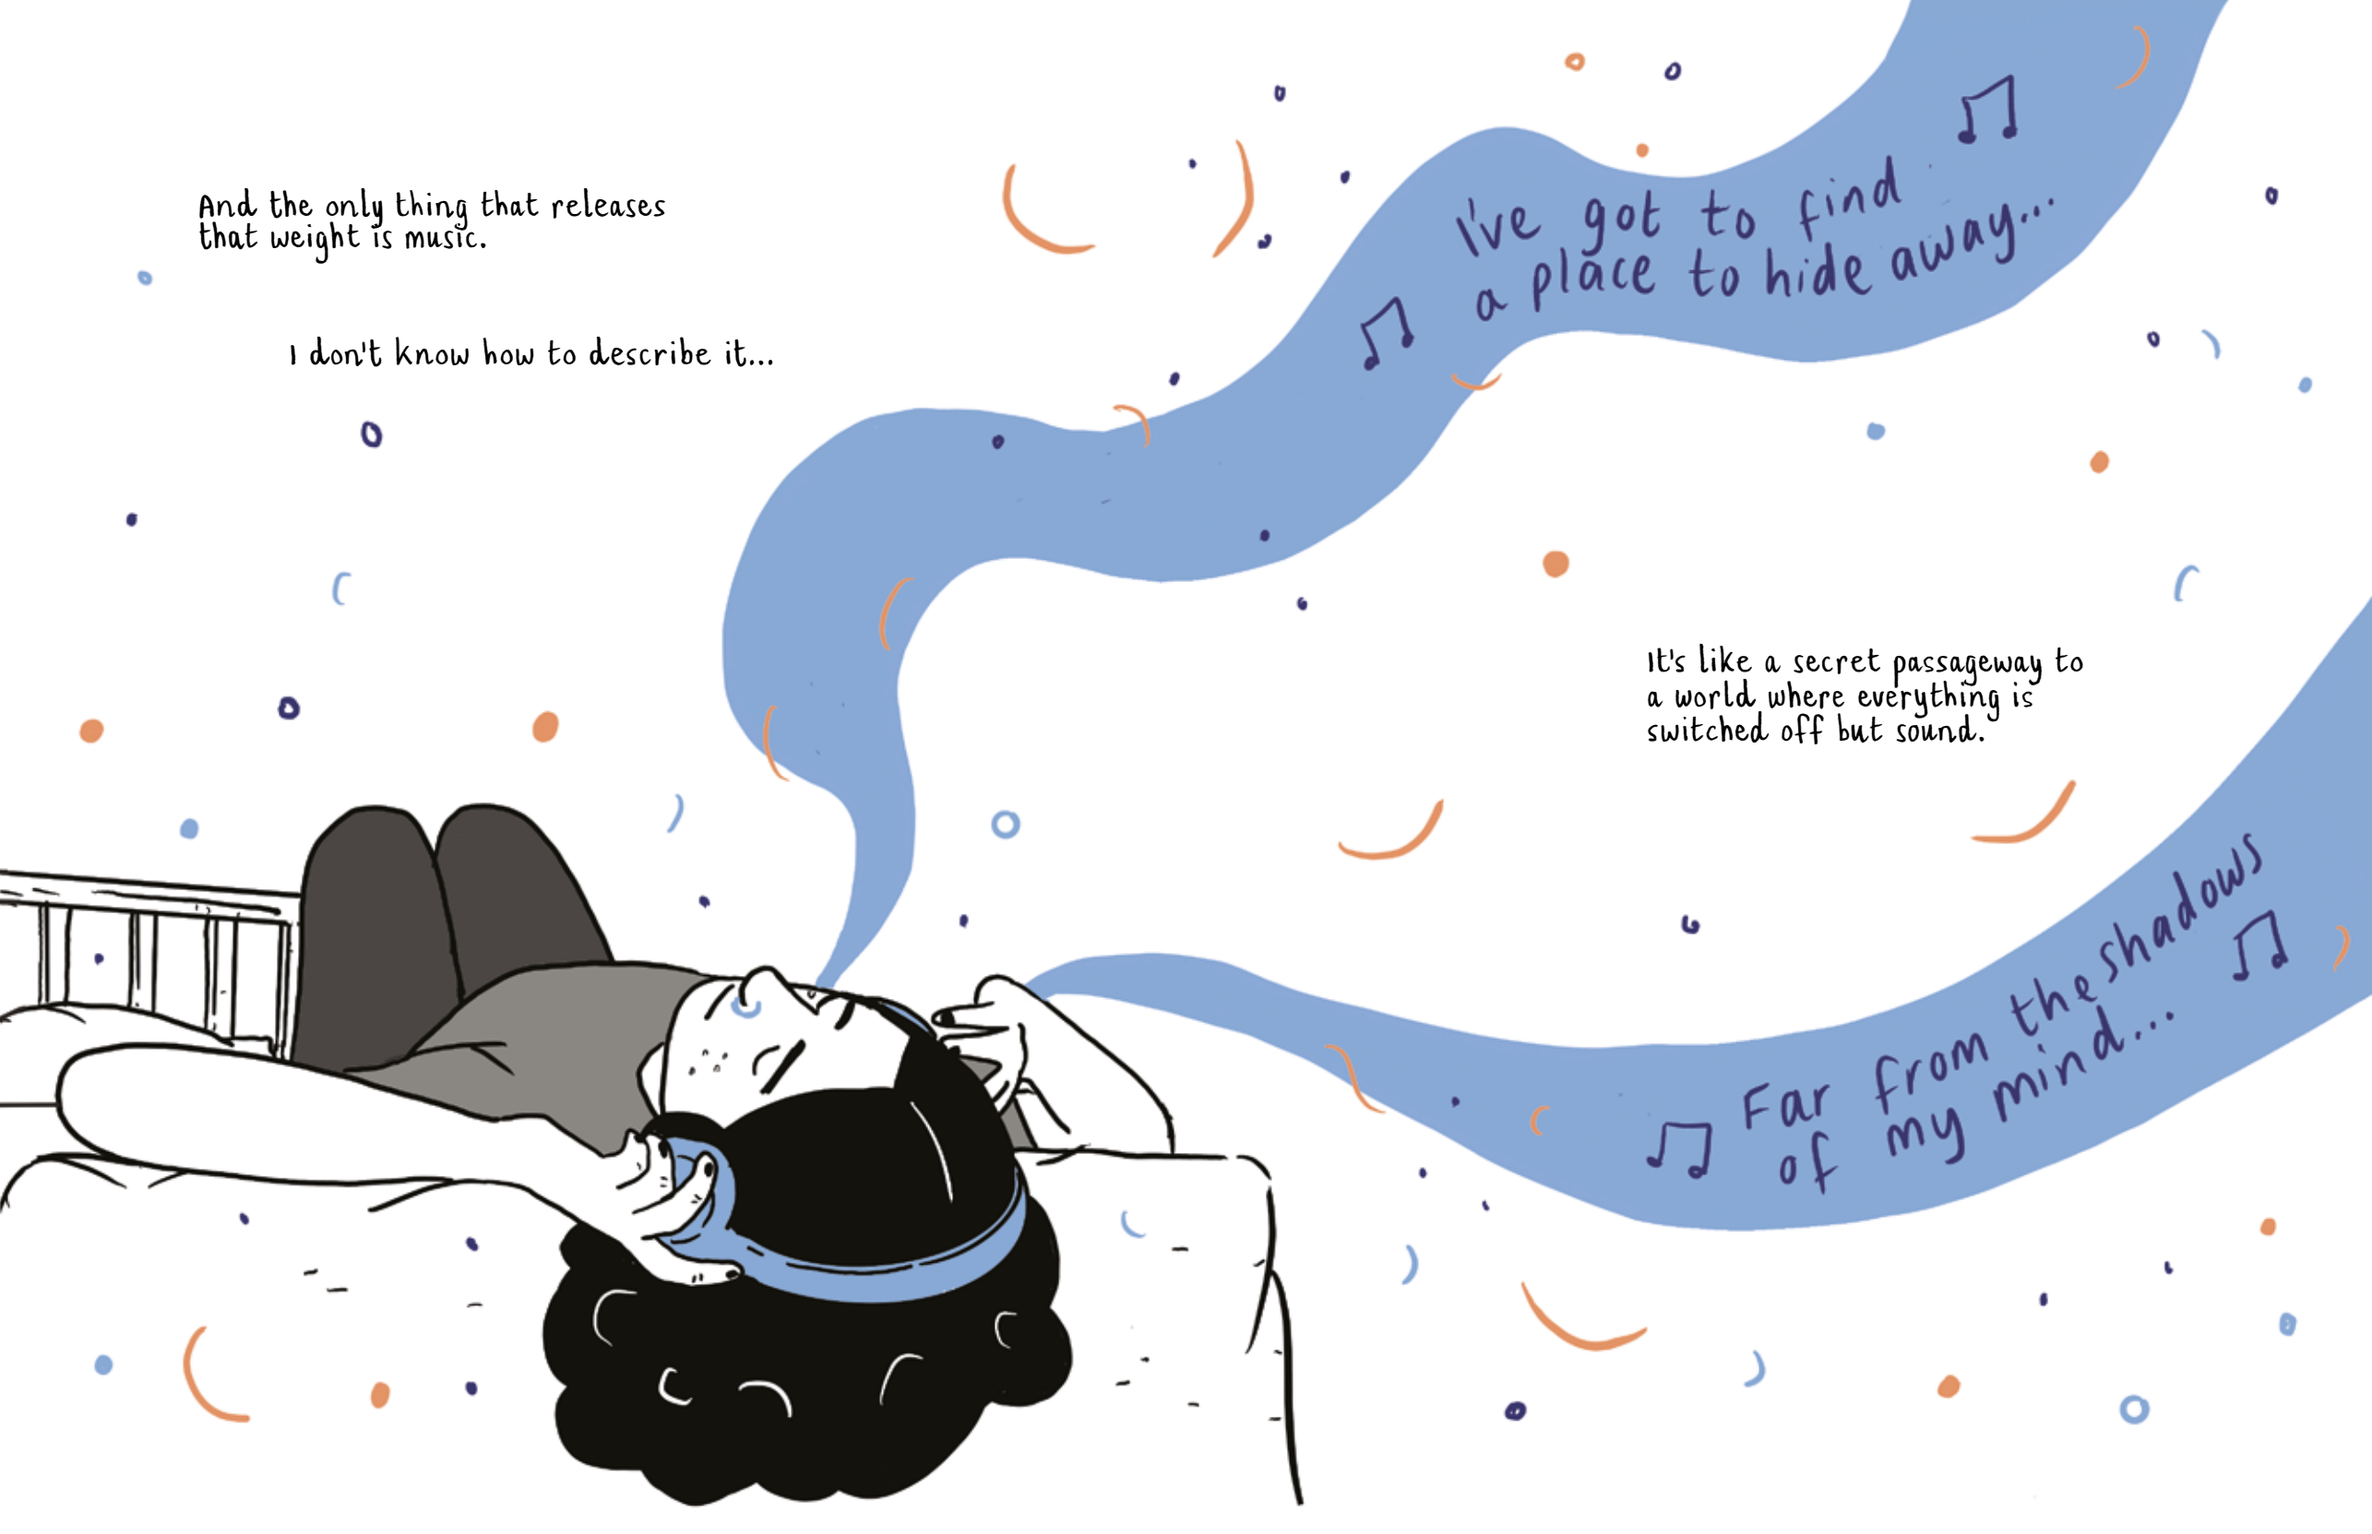

My body, my family, my life...

And the only thing that releases that weight is music.
I don't know how to describe it...
I've got to find a place to hide away...
It's like a secret passageway to a world where everything is switched off but sound.
Far from the shadows of my mind...
