Get stuck in!

Carefully remove the sticker sheets from the back of your book, then follow the story and add in stickers along the way.

Every sticker page has different pictures and words to choose from. Make sure to look through all your sticker sheets to find all the options for each page and have fun making your own stickery story!

NOTE! These stickers will stick permanently, so choose wisely... or not, it's your adventure after all!

Stickery Stories

SADIE and the SURPRISING SEA CREATURES!

Written by
Elizabeth Davies

Illustrated by
Lily Fossett

It was a **sizzling** summer's day at the beach. Sadie was happily lazing on the sand under her **stripy** umbrella with her Word sticker for company.

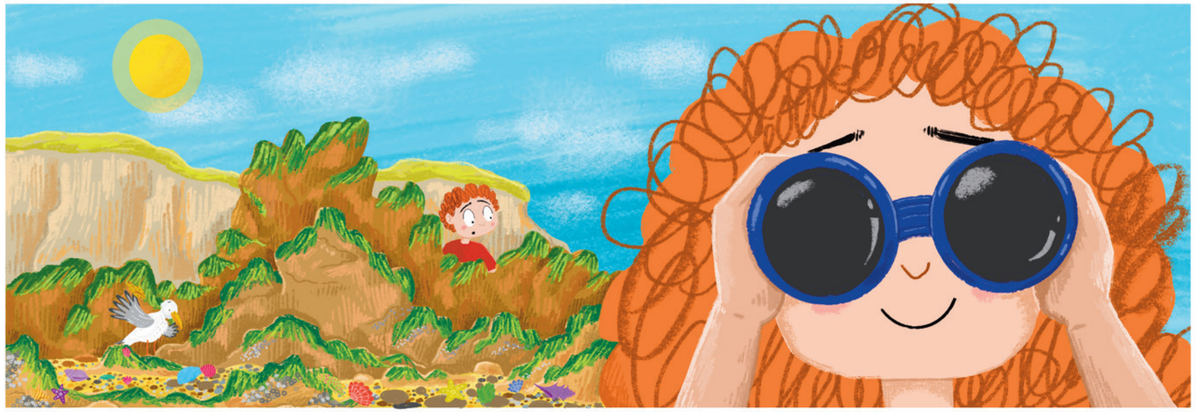

Her little brother Jamie was determined to explore the rock pools together...

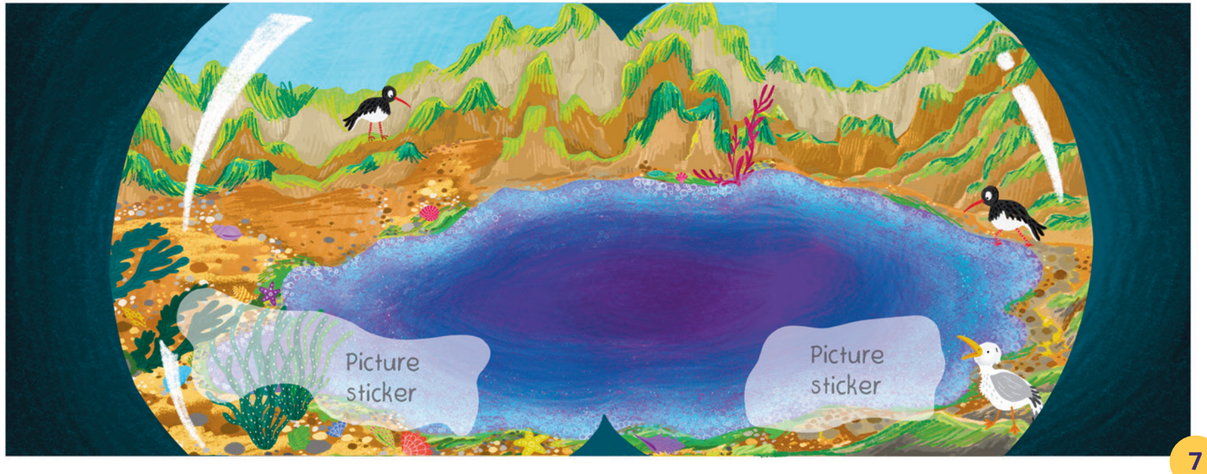

...and he wasn't taking no for an answer.

They scrambled over the **slippery**, **slimy** rocks towards the biggest pool.

Through her binoculars, Sadie was surprised to see that the largest pool was surrounded by Word sticker .

Leaning over the **strange**, **glistening**, **pebbly** pool, Sadie thought she could see Word sticker at the bottom.

We hope you enjoyed creating your own surprising adventure for Sadie! Now, how about using your leftover stickers to make a funny picture or create a wonderful new story...
