VOOOOOOOO!

The *Oceano Penguino*,
every penguin's dream cruise ship,
blows its horn.

The ship of dreams holds
a dance floor,
a movie theater,
a game room,
and an indoor pool.

All aboard the ship!

We're setting sail for a legendary island.
Let the adventure begin!

At Captain Penguino's command,
a Helmspenguin spins the wheel.
Their faithful crewmates are preparing
all kinds of different rooms.
Which room is the penguin family staying in?

One special room holds a very special treasure:
the Golden Mermaid statuette!
You may look, but please don't touch.

The curtains are about to rise onstage.
It's almost showtime!
Chibi Pengi is off exploring.
Where has he gone?

He should be careful.
Some say that a pair of cuddly Ghosties
haunt the ship somewhere
belowdecks.

At lunchtime, it's all-you-can-eat at the restaurant! In the library, Professor Penguin tells Chibi Pengi a special secret about the sea. Meanwhile . . .

"O Captain! My Captain!
The Golden Mermaid—she's gone!"
"Impossible! Get Detective
Penguin on the case!"

Land ho!

Time to stretch our sea legs for a bit on Turtle Isle. Let's anchor the ship, hop on a smaller boat, and head for the dock.

"Hey, let's explore together!" It seems like Chibi Pengi has made a few friends.

The Golden Mermaid is still missing, but rumor has it that a *real* mermaid has been spotted around Turtle Isle.
