
December is FINALLY here!
I'm making a LIST,
I'm checking it twice,
X-MAS
and I'm DREAMING of ...

What did you say?
Christmas ISN'T pink?
CHRISTMAS
FARM
Christmas is ...
GREEN?
You think Christmas trees are GREEN?

NOT at my house!
Sure, MY tree doesn't have that nice piney smell ...
and sure, my cat doesn't want to climb it ...
but my CHRISTMAS tree is ...
PINK!

NOT this year!

Sure, Santa's been wearing **RED** for years, and sure, he was a little surprised when I gave him a **NEW** look, but for a welcome **POP** of colour this winter, Santa's suit is ...

PINK!

A PINK CHRISTMAS!
