

December is **FINALLY** here!

I'm making a **LIST**,
I'm checking it twice,

and I'm **DREAMING** of ...

What did you say?
Christmas **ISN'T** pink?

Christmas is ...
GREEN?

You think Christmas trees are **GREEN?**

NOT at my house!

Sure, MY tree doesn't have
that nice piney smell ...

and sure, my cat
doesn't want to
climb it ...

but my CHRISTMAS
tree is ...

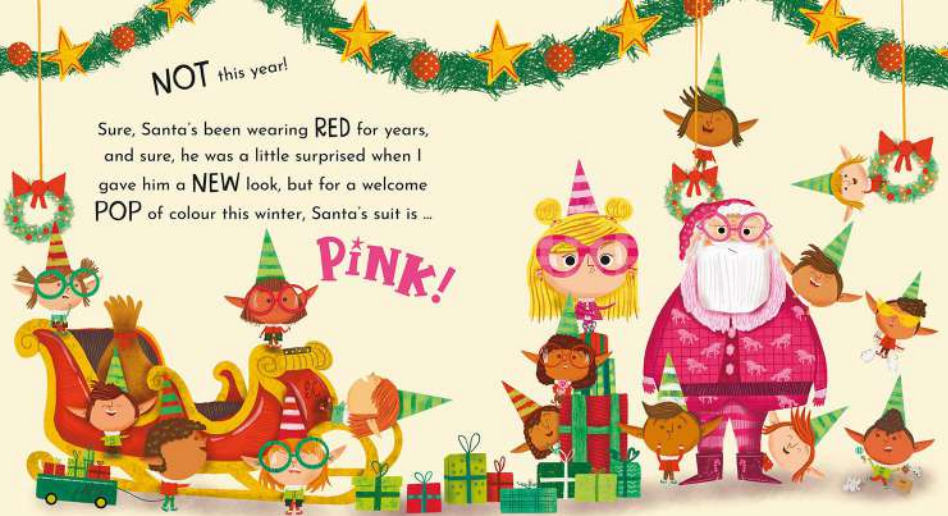

PiNK!

NOT this year!

Sure, Santa's been wearing RED for years,
and sure, he was a little surprised when I
gave him a NEW look, but for a welcome
POP of colour this winter, Santa's suit is ...

PiNK!

A **PINK**
CHRISTMAS!
