Amelia Cheeseheart INVESTIGATES

ICE AGE ALARM!

CAT WELDON &
NENE LONERGAN

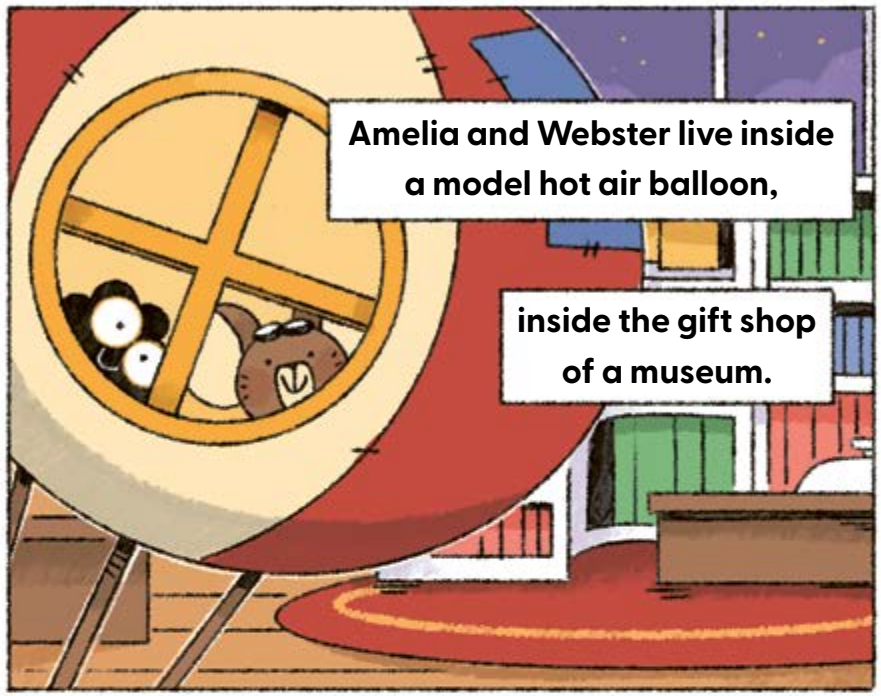

mini GUPPY

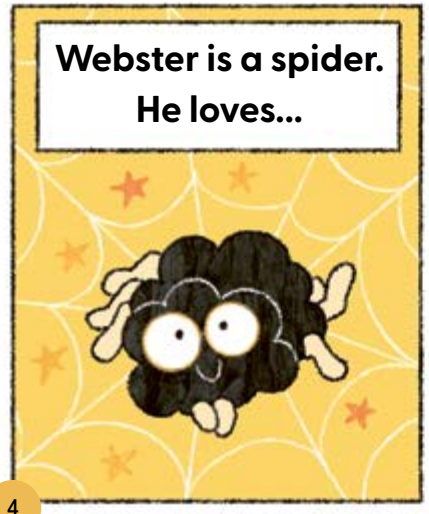

This is Amelia Cheeseheart.
Amelia is brave,
she is bold,
and...

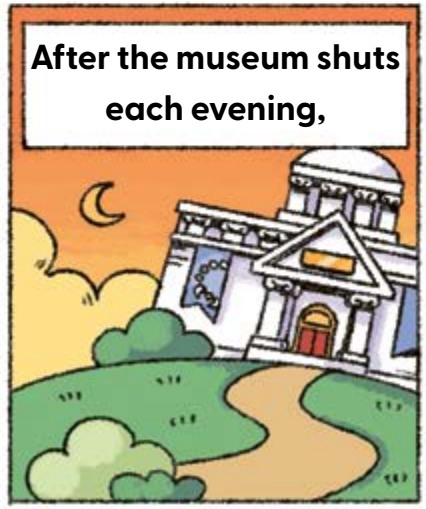

I love solving mysteries!
?
NOT
DO NOT CROSS
DO NOT CROSS
DO NOT CROSS

Amelia's best friend is Webster.
Hellooo!

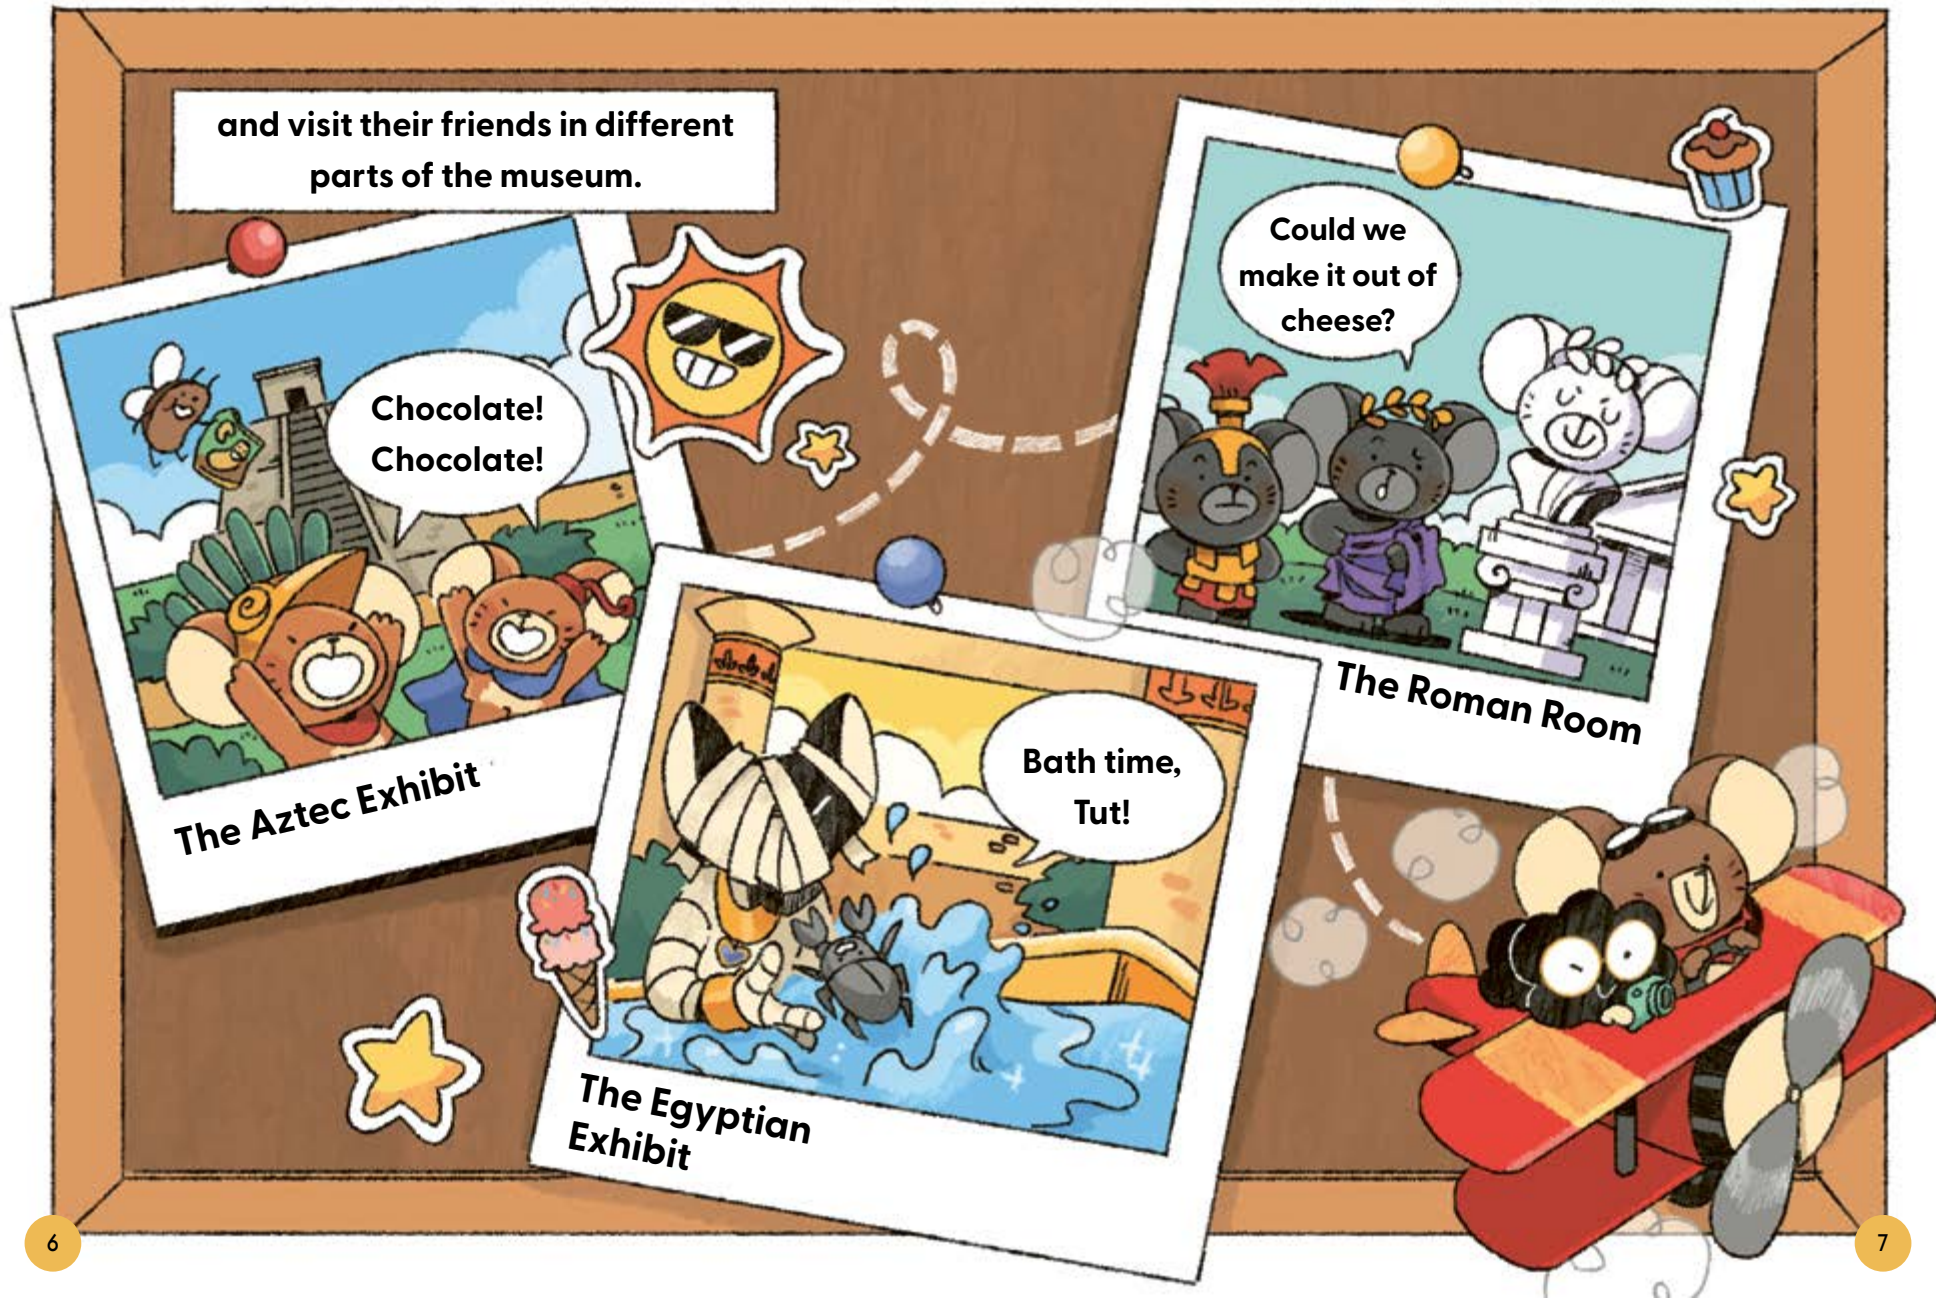

Amelia and Webster live inside a model hot air balloon,
inside the gift shop of a museum.

Webster is a spider. He loves...

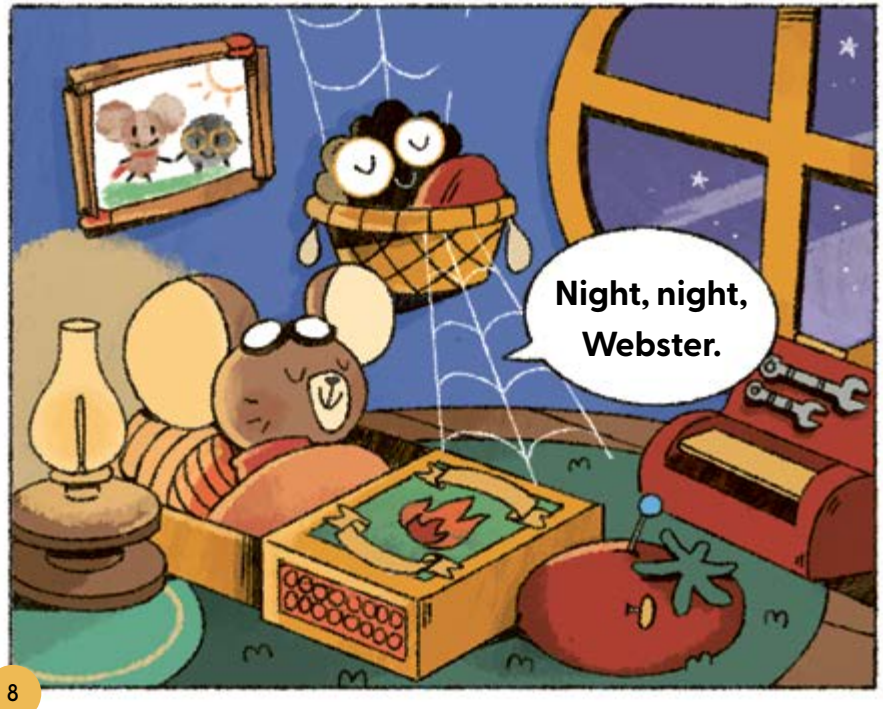

BANANANAS!

After the museum shuts each evening,

Amelia and Webster hop on Amelia's aeroplane...

and visit their friends in different parts of the museum.
Chocolate! Chocolate!
The Aztec Exhibit
Could we make it out of cheese?
The Roman Room
Bath time, Tut!
The Egyptian Exhibit

But they are always careful to be home again before the museum opens.

Night, night, Webster.

Chapter 1
What are you doing, Amelia?

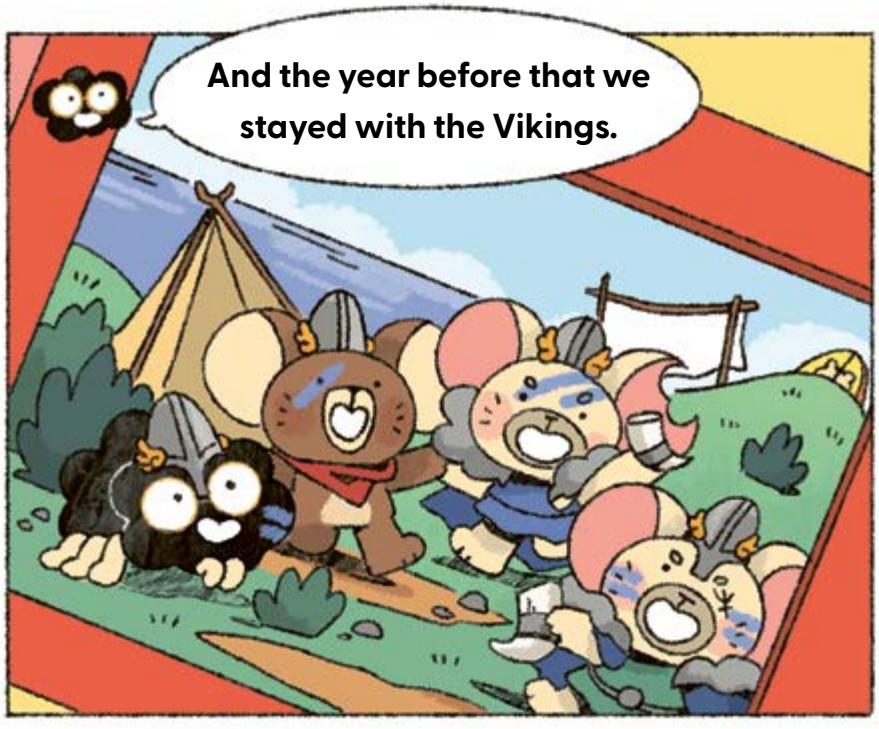

I'm looking for our tent.

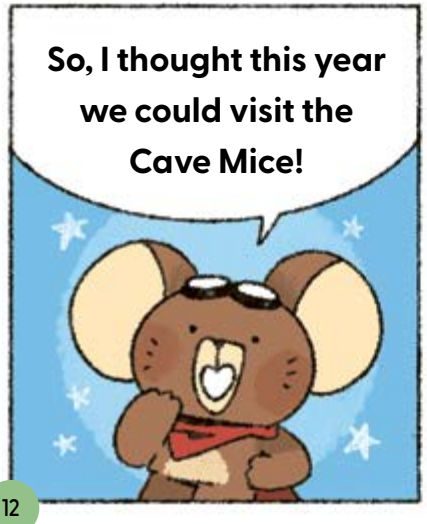

It's nearly time for our camping holiday!

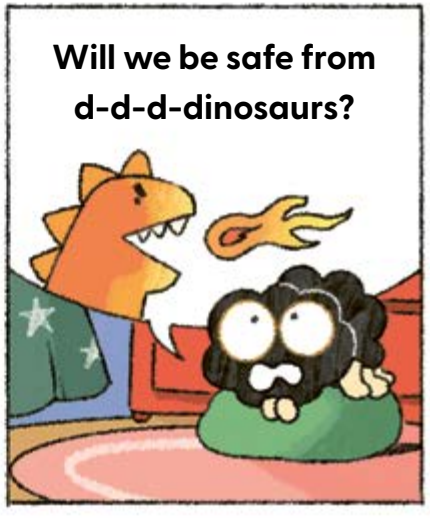

Brilliant!

Where will we go this year?

Well, last year we went to Medieval Marvels.

And the year before that we stayed with the Vikings.

So, I thought this year we could visit the Cave Mice!

Will we be safe from d-d-d-dinosaurs?

Of course, there are no dinosaurs in the Ice Age Exhibit.

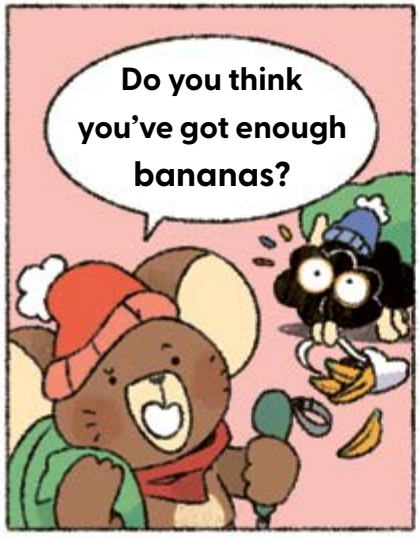

No. It's too chilly.

Here it is!

We'd better take our bobble hats, extra gloves...

and extra thick sleeping bags!

I'm ready, let's go!

Do you think you've got enough bananas?

Hmm... maybe I should take one more!

Chocks away!
