I had to tell everyone!

"Um . . . Hi, everyone!" I said.
"I don't want to alarm you,
but we have some VISITORS."

Oh no! Who?

A cat?

A raccoon?!

A HUMAN?!?!

"That's right," I said. "A **human!** And not just one."

No one knew what to do. We'd all heard
Uncle Rupert's stories about humans . . .

He says humans are
three THOUSAND
times bigger than us.

(That does sound scary!)

He says humans make us
run in wheels for their
own entertainment.

(That sounds OK to me.
I like a bit of exercise!)

He says humans can
have brightly coloured fur . . .
Even green, or pink, or blue!

(I'm not sure I'd look
good with blue fur.)

But Uncle Rupert says all sorts of things . . .
and I wanted to see a human for myself.

So I decided to investigate.

Some of my friends came along, too.

We found

the
