After getting dressed, Rayhan went downstairs.

Dadi and Dada were in the dining room filling samosas.

"Would you like a fresh samosa for your lunch?" asked Dadi.

The samosa filling smelled SOOOO GOOD!

But Rayhan remembered what he'd told Daddy and said,

Rayhan's tummy grumbled LOUD.
He rushed out into the garden away from the tempting smell of food.

Daddy was in the garden picking strawberries.

"Look how juicy these are, Rayhan!" he said.
"I'm picking them for tonight's dessert. Here, have some."
He smiled and offered one to him.

Rayhan put his hand out.

Not now, I'm fasting, remember?

The strawberries did look
SOOOO YUMMY!

Rayhan's tummy grumbled
and rumbled louder and
louder and LOUDER.

This was much harder
than he thought it would be!

When Daddy wasn't looking,
Rayhan popped a scrummy
strawberry in his mouth.

OH NO!
