

A dinosaur's guide to happy bedtimes

It's Rex's bedtime but he is *very* NOT sleepy!
His friends subtly guide him through the night-time
routine, because all dinosaurs need their beds.
It's the only way to power-up for another day of play!

With surprise flap and pop-ups!

A dinosaur's guide to happy bedtimes

Here comes Rex.

Stomp!
Stomp!
Stomp!

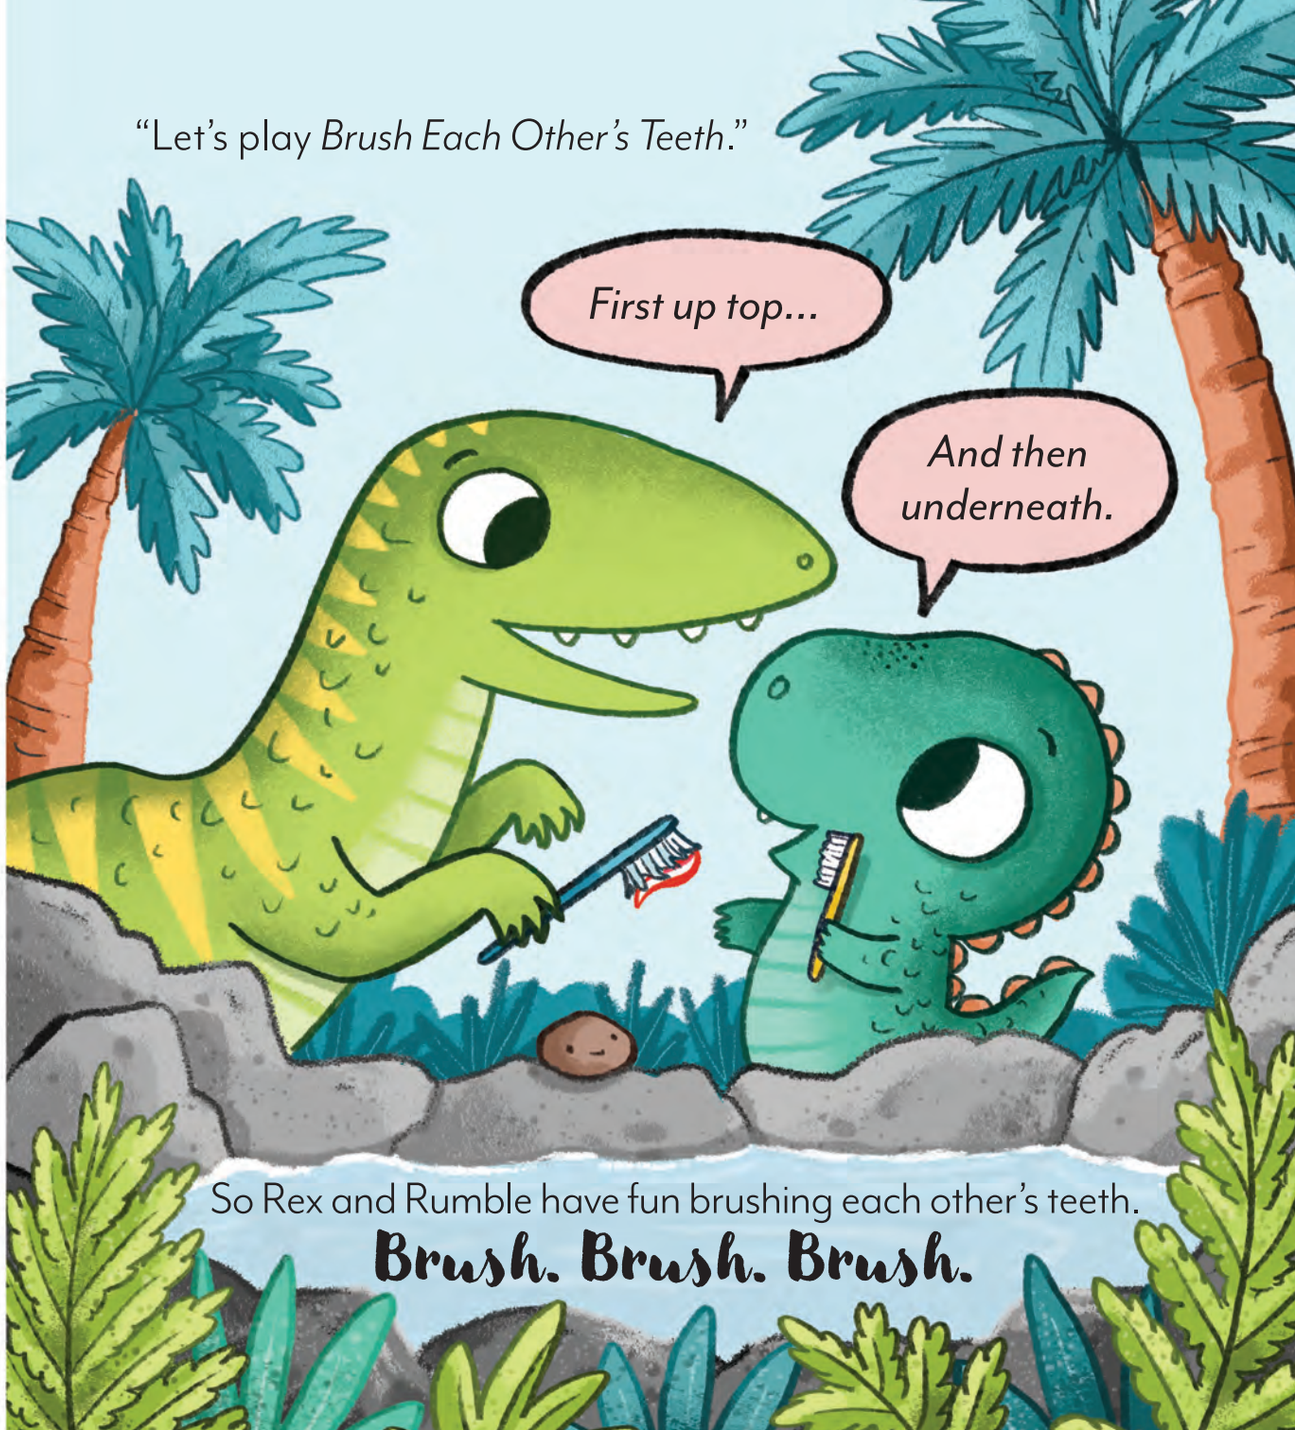

It's past his bedtime but
he is *very*...NOT...tired!

So he goes to visit his friend Rumble.

"Hi, little Rex. Shouldn't you
be in bed?"
"No," says Rex.
"Let's play instead!"

"Let's play *Brush Each Other's Teeth*."

So Rex and Rumble have fun brushing each other's teeth.

Brush. Brush. Brush.

Where is Rex?

Rustle!
Rustle!
Rustle!

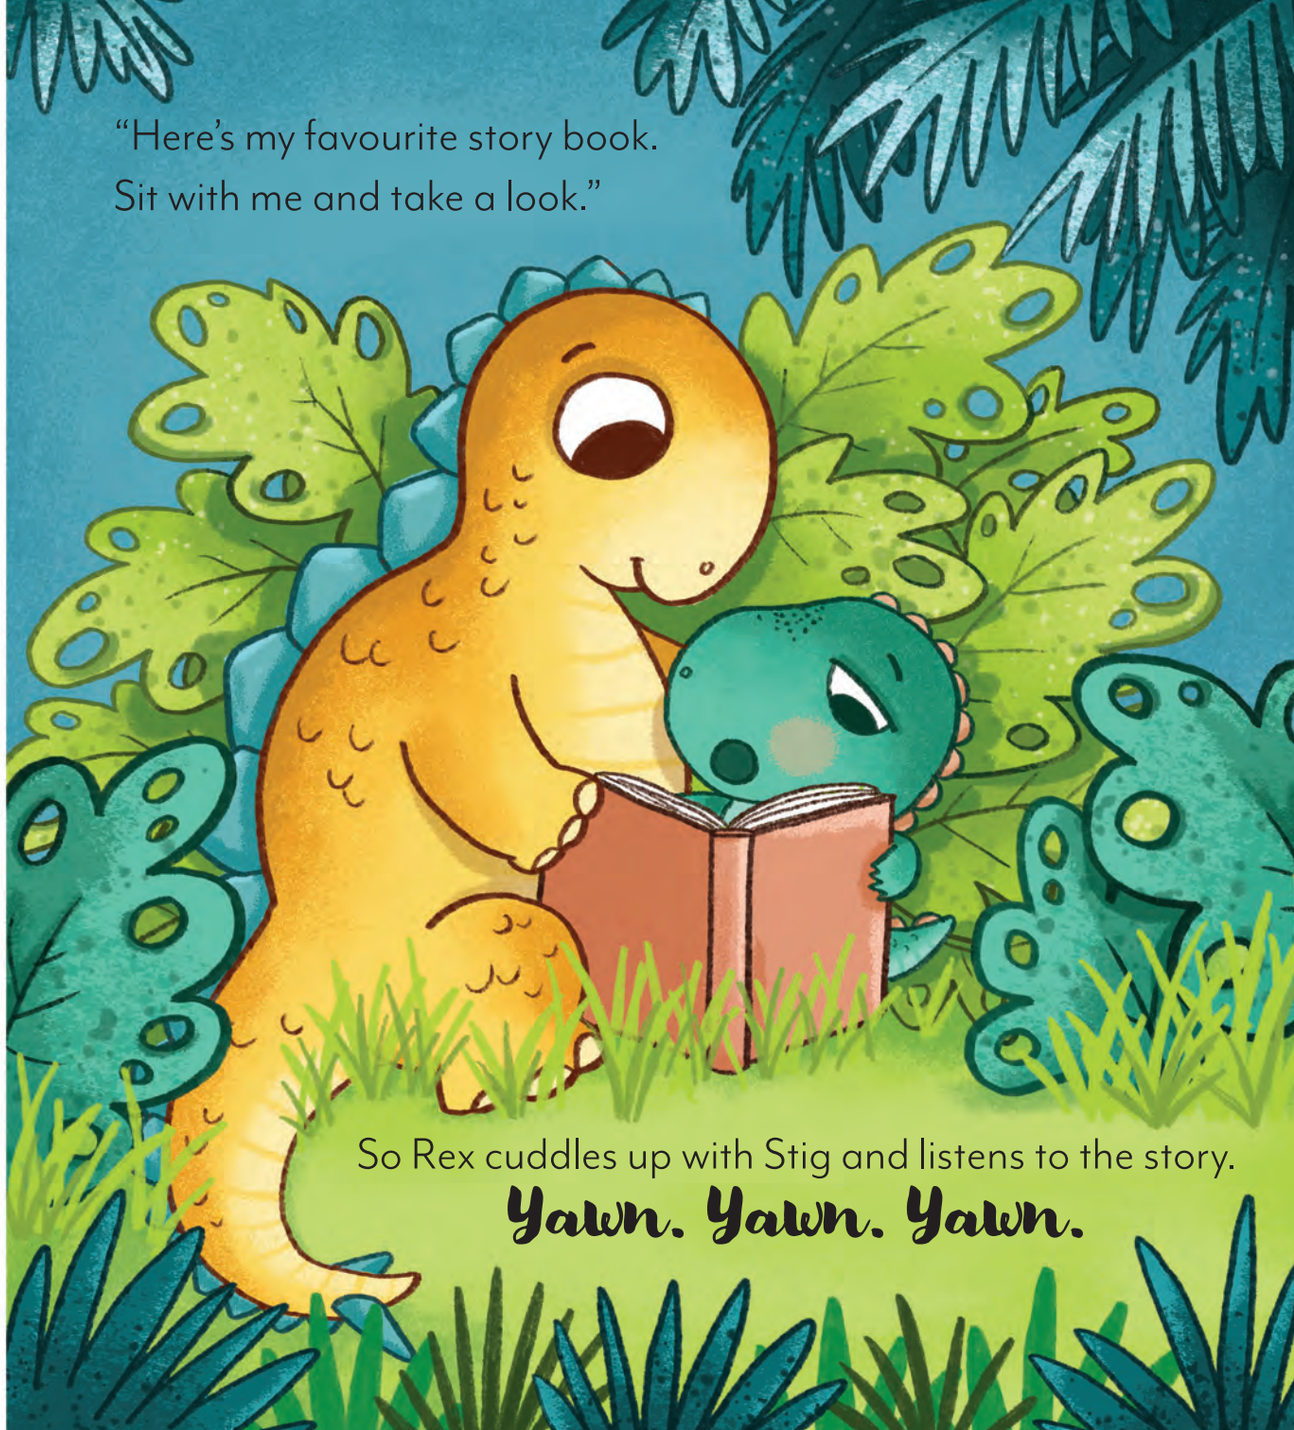

Stig is reading a book.
"Hey, little Rex. Why
aren't you in bed?"
"I'm so not tired.
Can we play instead?"

Here he is!

(with shiny teeth, clean feet and
no longer needing a wee)

"Here's my favourite story book.
Sit with me and take a look."

So Rex cuddles up with Stig and listens to the story.

Yawn. Yawn. Yawn.

"Playing all day...

with your friends and me!"
