Hanna *loved* playing outdoors!

She was great at football . . .

and cricket . . .

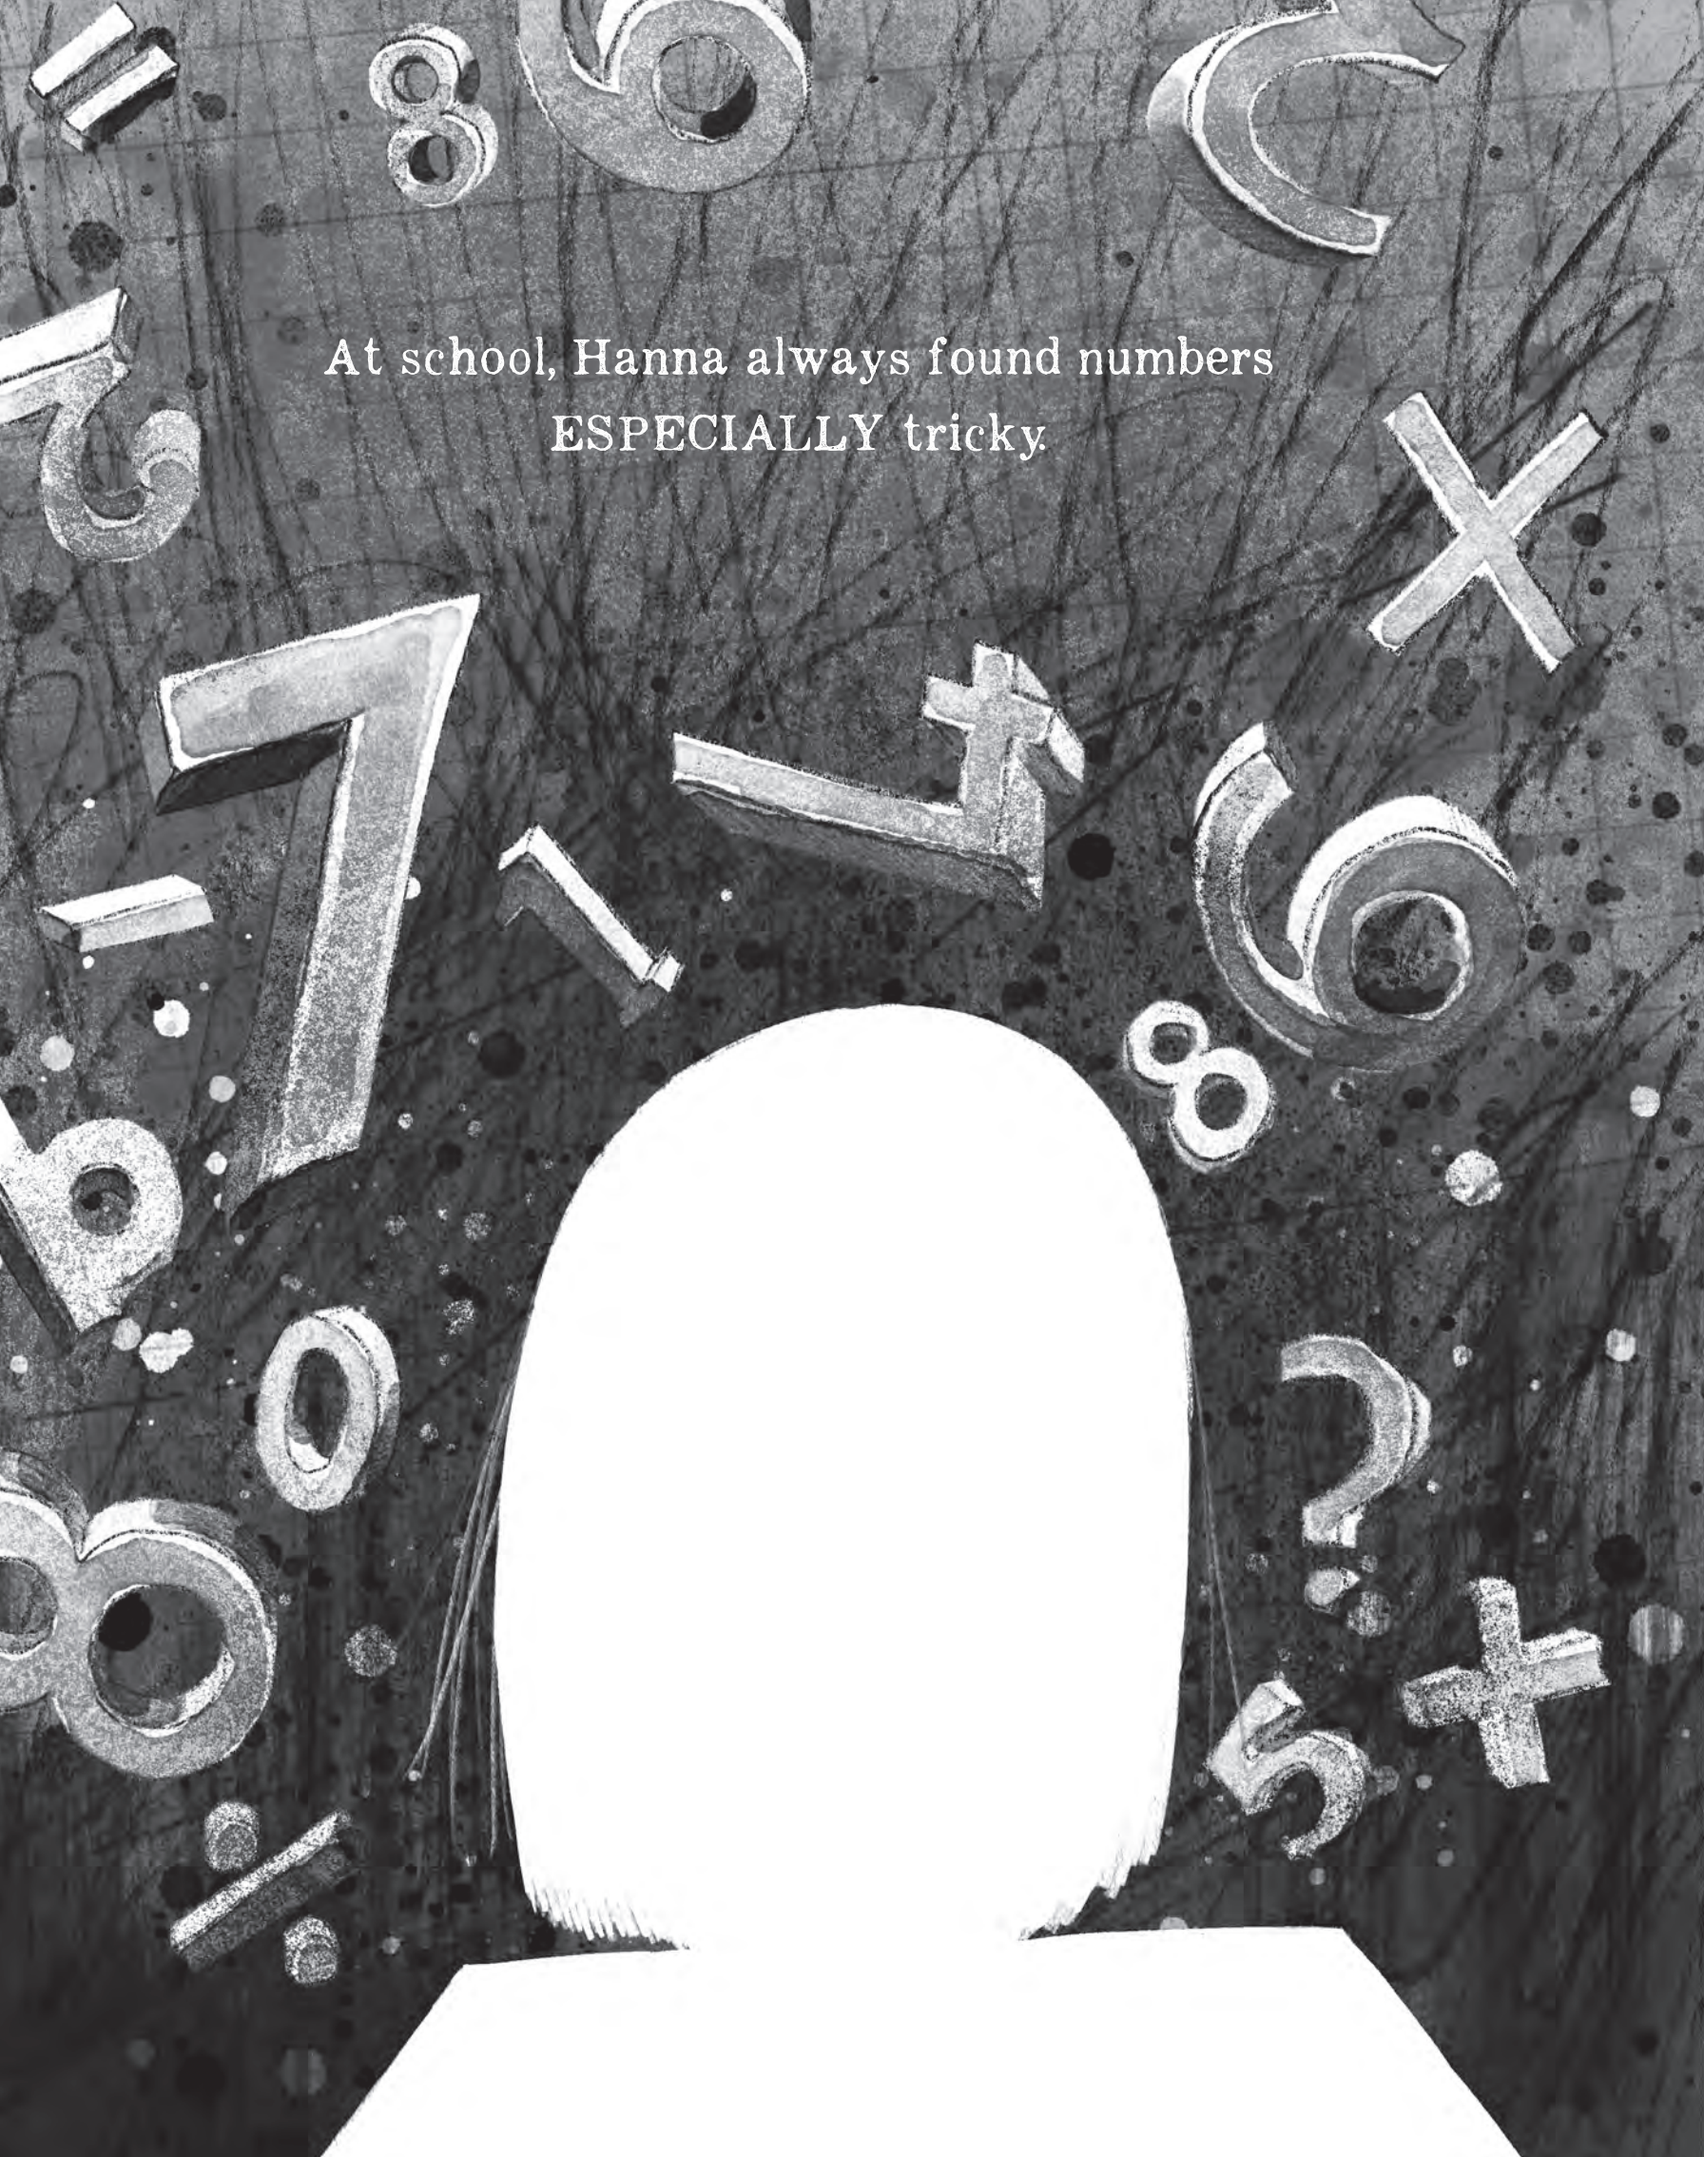

. . . and tennis
(but *not* all at the same time!).

Games like that felt *easy* for Hanna –
they just made sense.

Although not *everything* did . . .

At school, Hanna always found numbers
ESPECIALLY tricky.

Everyone else seemed fine with them, and Hanna felt embarrassed that she didn't understand.

Then one day, she had an idea . . .

She could just PRETEND to understand!
