BELLA BUILT A ROBOT

OXFORD
UNIVERSITY PRESS

Bella was missing her friends. It had felt like a long summer, playing on her own in Granny's garden.

But then, from out of the blue,
she had an idea!

Bella built a robot. She called him Blue Robot.

Making Blue Robot was fun. But to begin with,
Blue Robot couldn't do ANYTHING.

'Don't worry!' Bella told Blue Robot kindly.
'I'll show you how to bake cakes!'
