My Summer Holiday

My name is Josh.

This is
my sister
Daisy.

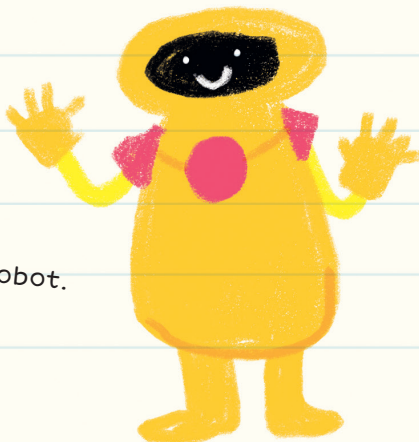

These are
our parents

and
this is
Dadbot!

He's a robot.

We found him at
a car boot sale.

We cared for
him and he
came to life.

Now he's part
of the family!

sometimes
stuff comes out
his butt, like
hot chocolate!

Not everyone's happy about it though.

Like this guy, **Doctor Egg.**

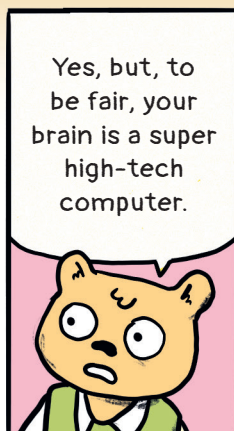

Doctor Egg built
Dadbot in the
first place but
couldn't make
him work.

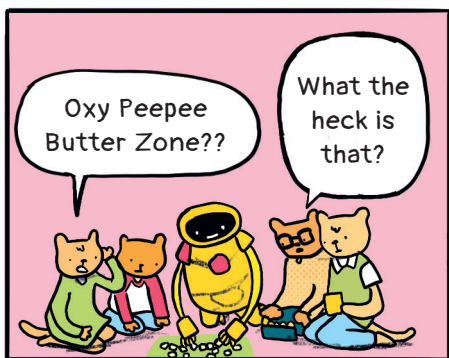

I want to
be famous!

He's mean
but he's in
prison now so
that's fine.
