Dedication

To Dan, for holding my hand as I leapt back into the world of football.

To my family, for standing in the pouring rain as I trained as a seven-year-old, and for trekking to London to watch me play even more poorly as an adult.

And to trans kids – you are seen, you are loved and you will be happy.

Note

Football is a widely popular sport, played all around the world. Different countries have different names for it, including 'soccer', 'futbol', 'calcio' and many more. The author of this book is from the UK, so they use **'football'.**

Hi! My name is Jacob, and I love football!
