MAGICAL MUNCHIES

Why not make a bowl of this fairy-dust popcorn to enjoy while you sit on the sofa and watch your favourite episodes of Isadora Moon?

You will need:

80g bag of ready-popped popcorn
100g white chocolate
Multicoloured edible sprinkles
Bowls and a spoon
A grown-up to help you

Method:

1. Break the white chocolate into chunks and put them in a small bowl. Ask a grown-up to melt the chocolate for you.
2. Tip the popcorn into a bowl big enough to hold it all.
3. Using a spoon, drizzle the melted chocolate all over the popcorn.
4. Shake the multicoloured sprinkles over the chocolate-coated popcorn.
5. Leave the bowl to one side for 30 minutes so the chocolate can cool and set before enjoying.
