

Hello Worm, what are you up to?

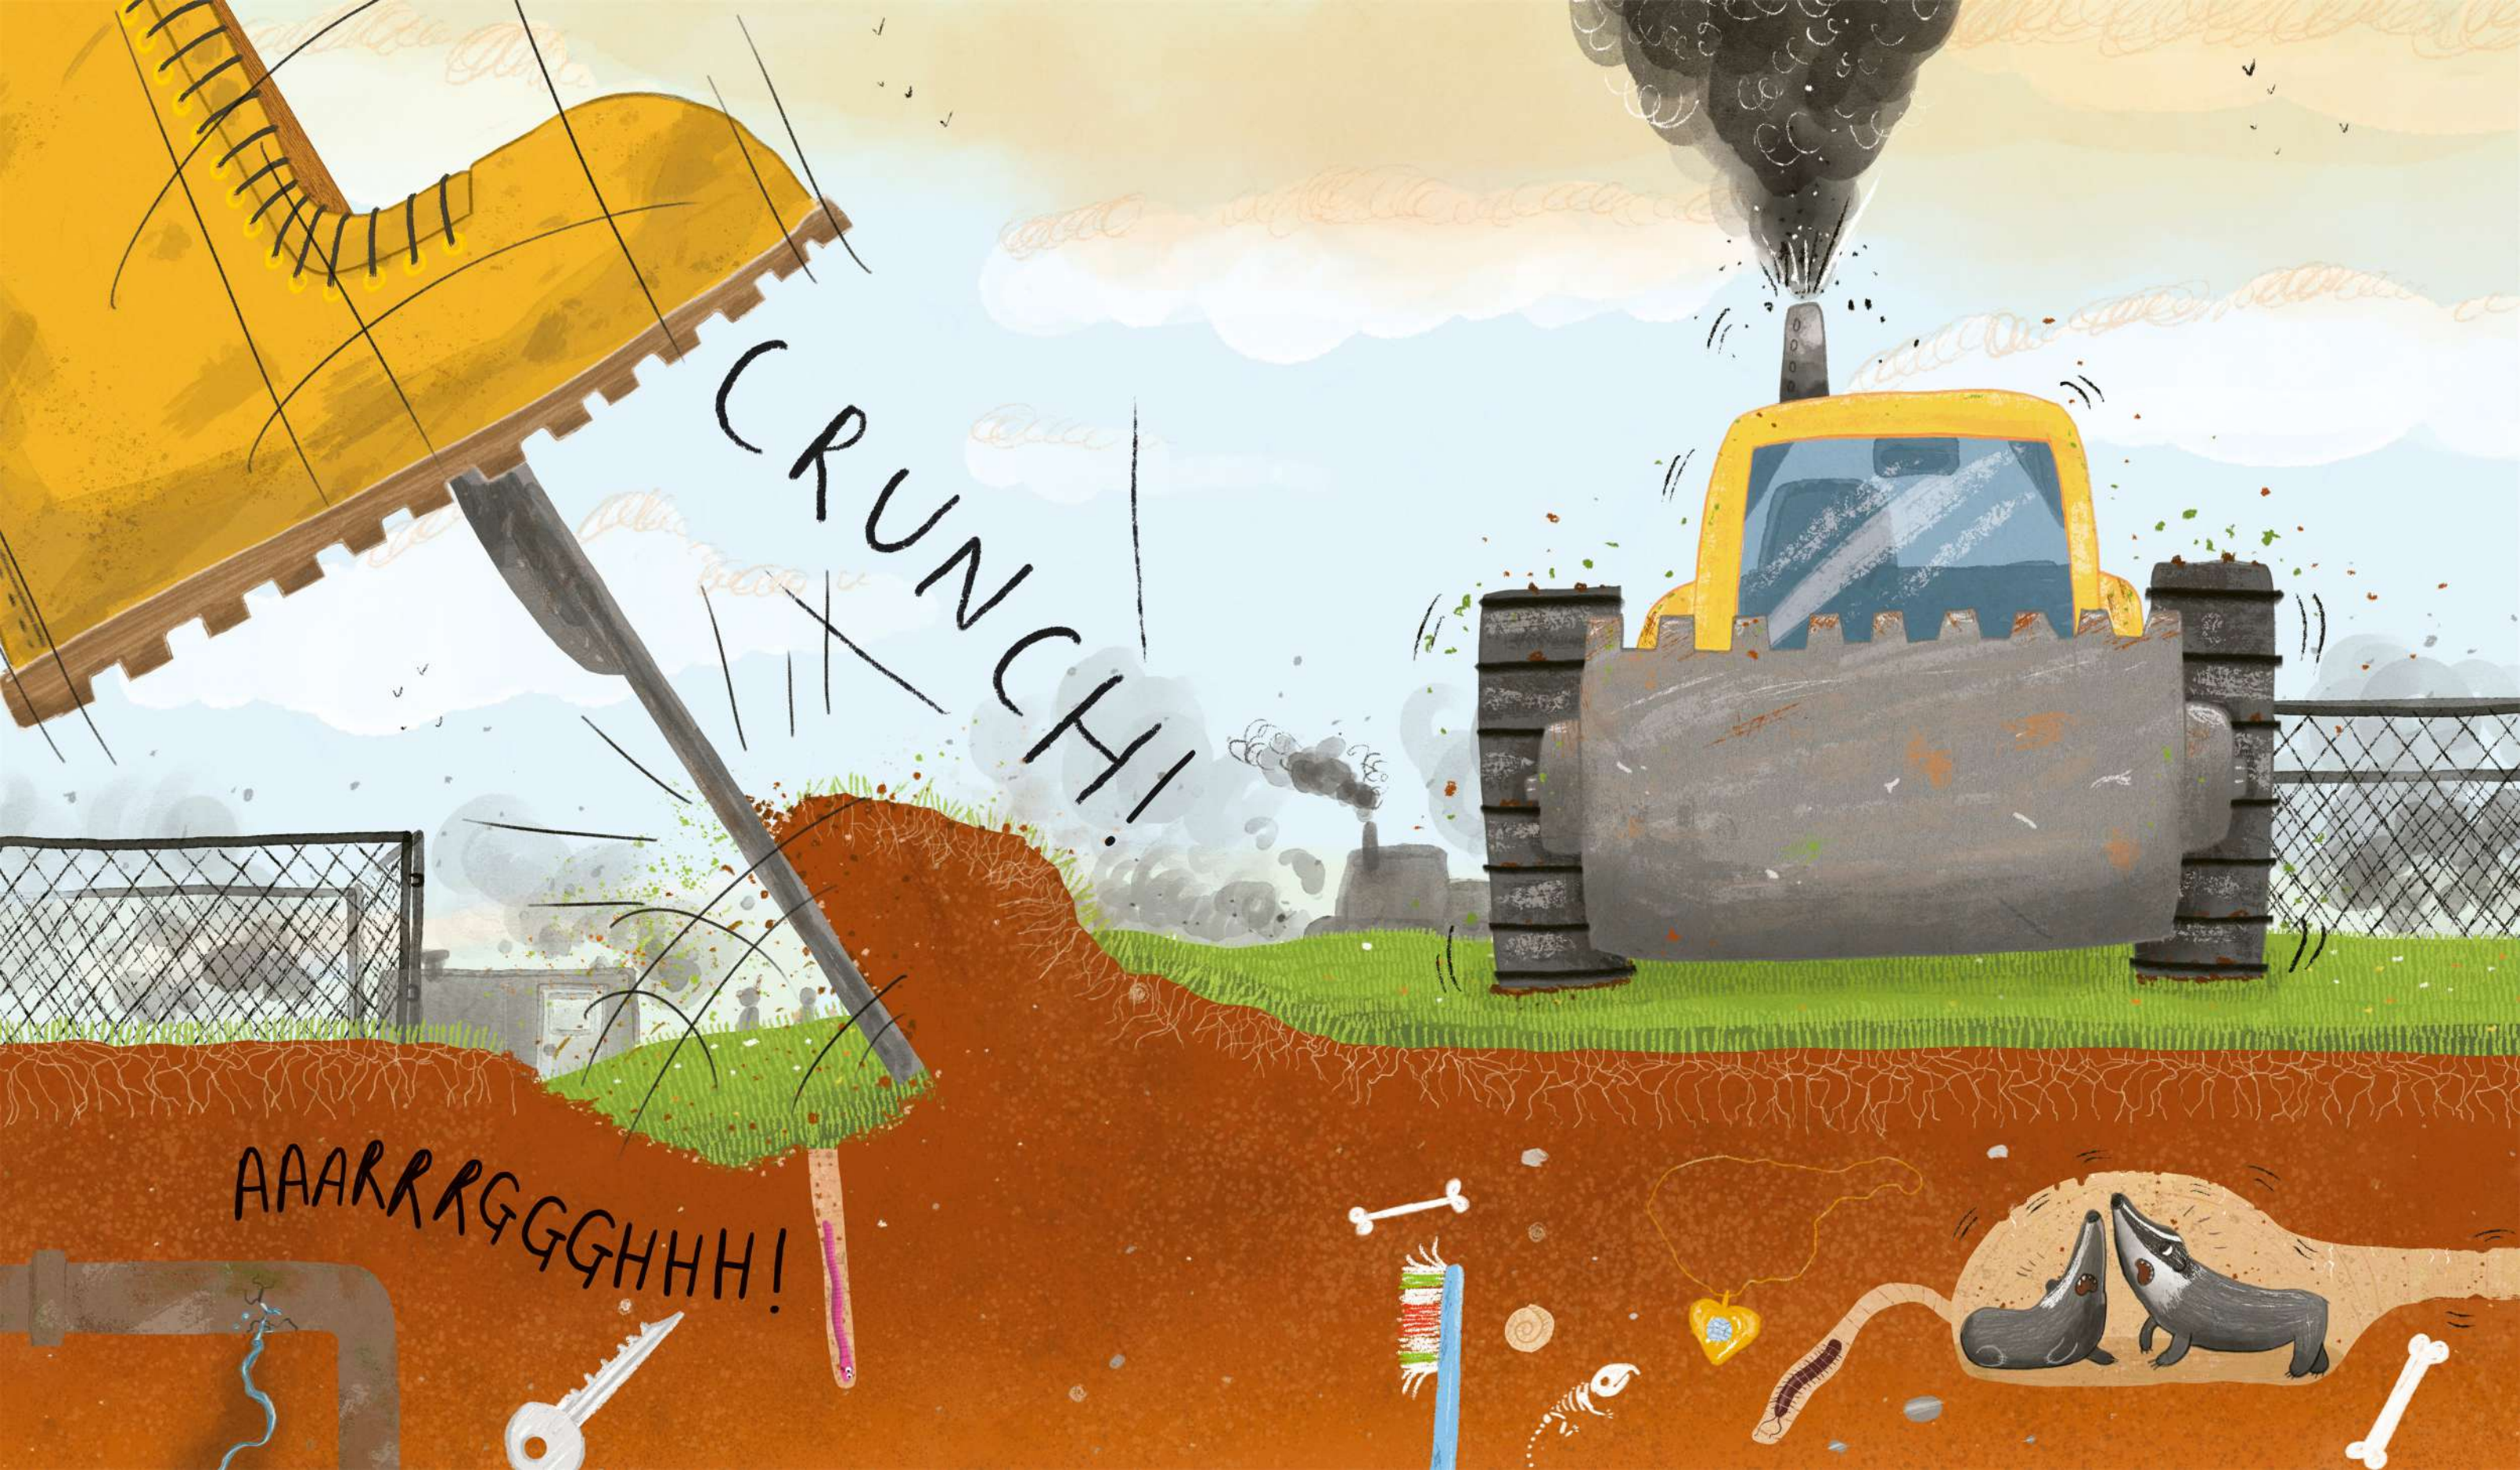

OH. HELLO, not much, just
MUNCHING MUD and MAKING TRACKS
in my HOME PATCH of soil.

Your home patch looks like a nice
place to live, but have you seen the . . .
big spade coming your way?

OH! NO. YIKES!
Down I go.

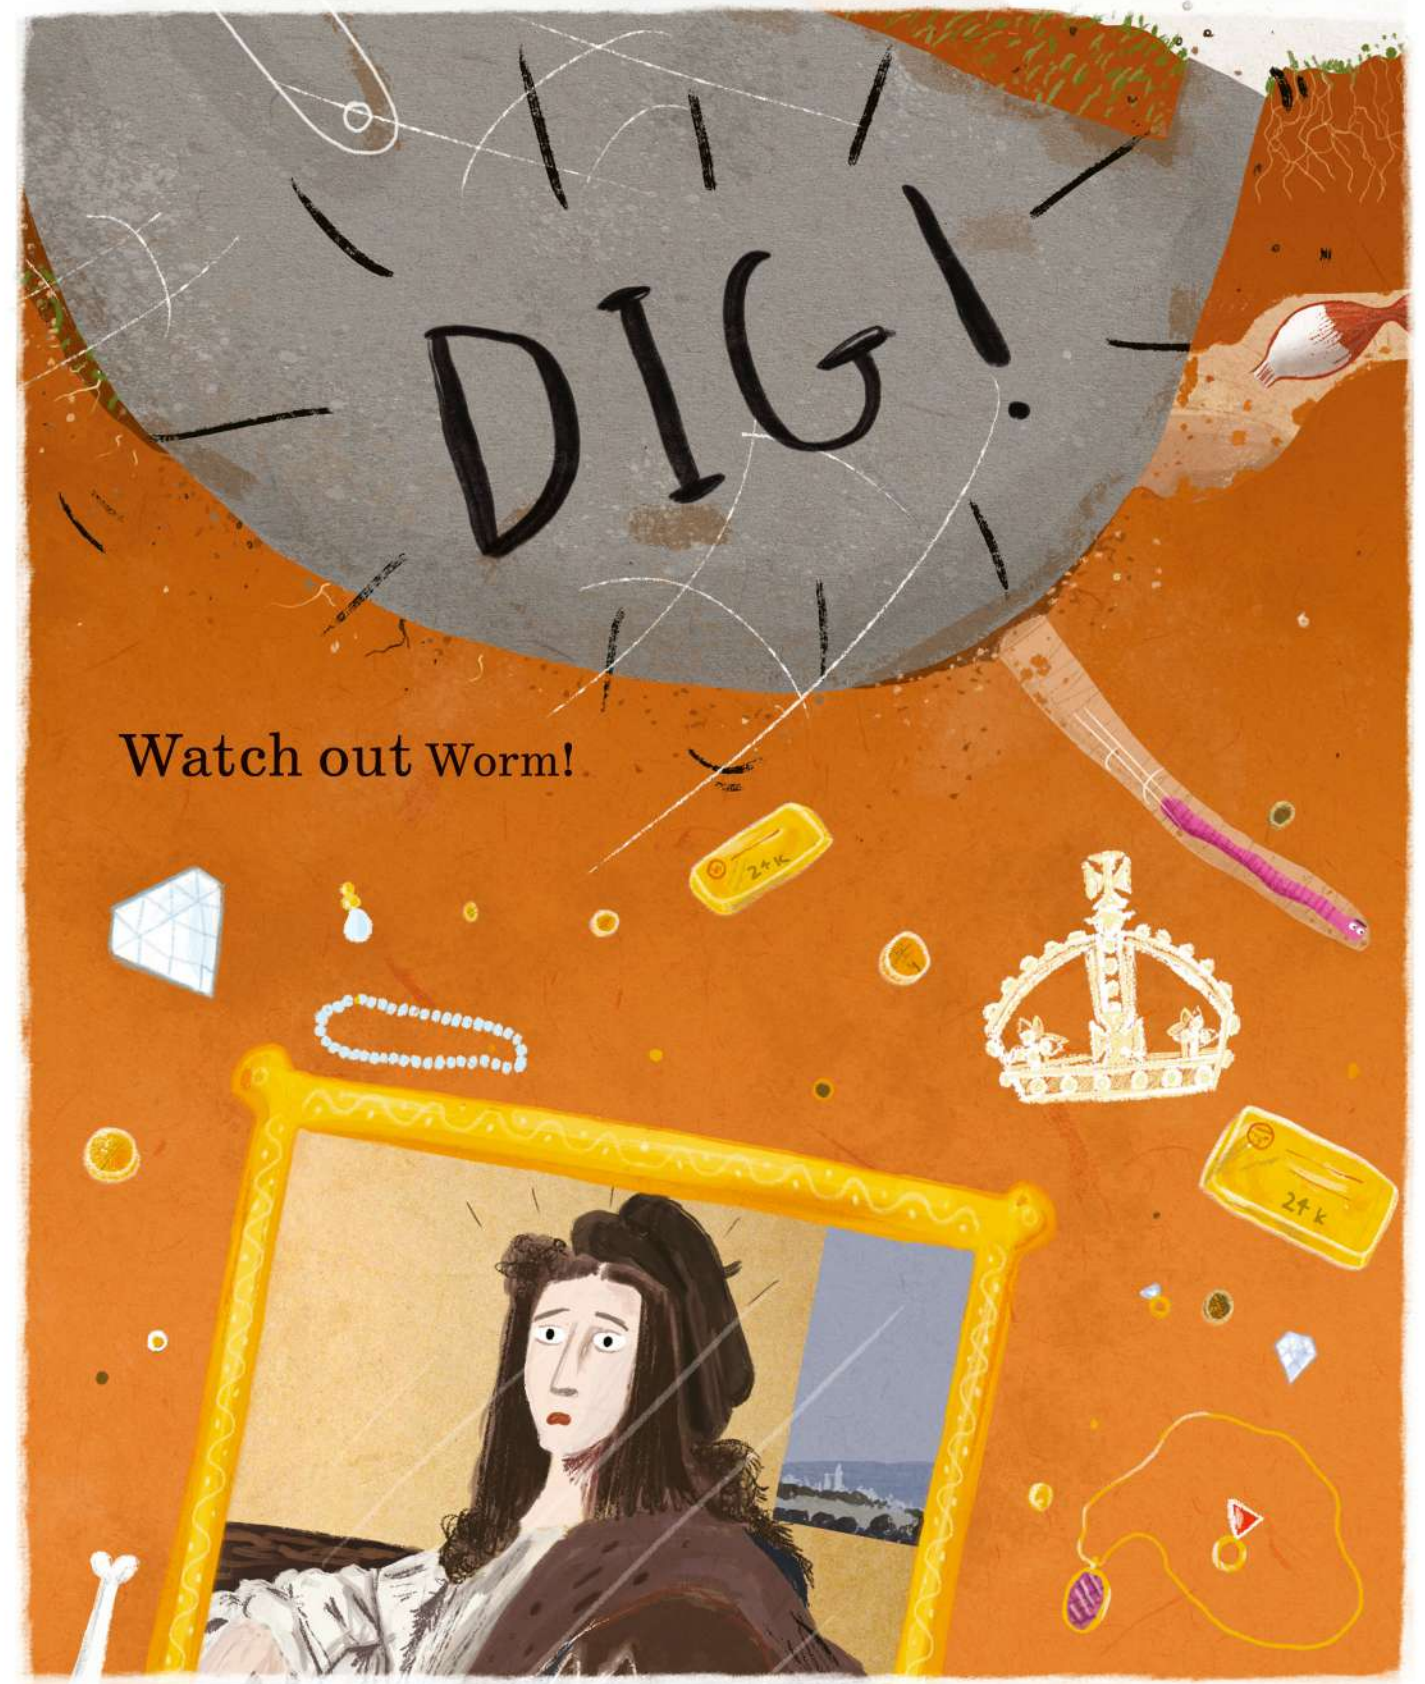

CRUNCH!

AAARRRGHHH!

"Rumble" "Rumble" "Rumble" Rumble"

Phew. That
was close.
What are you
going to do now?

It's ok, I can stay down here
for a while, then I'll go back home.

Watch out Worm!
