

Hello Worm, what are you up to?

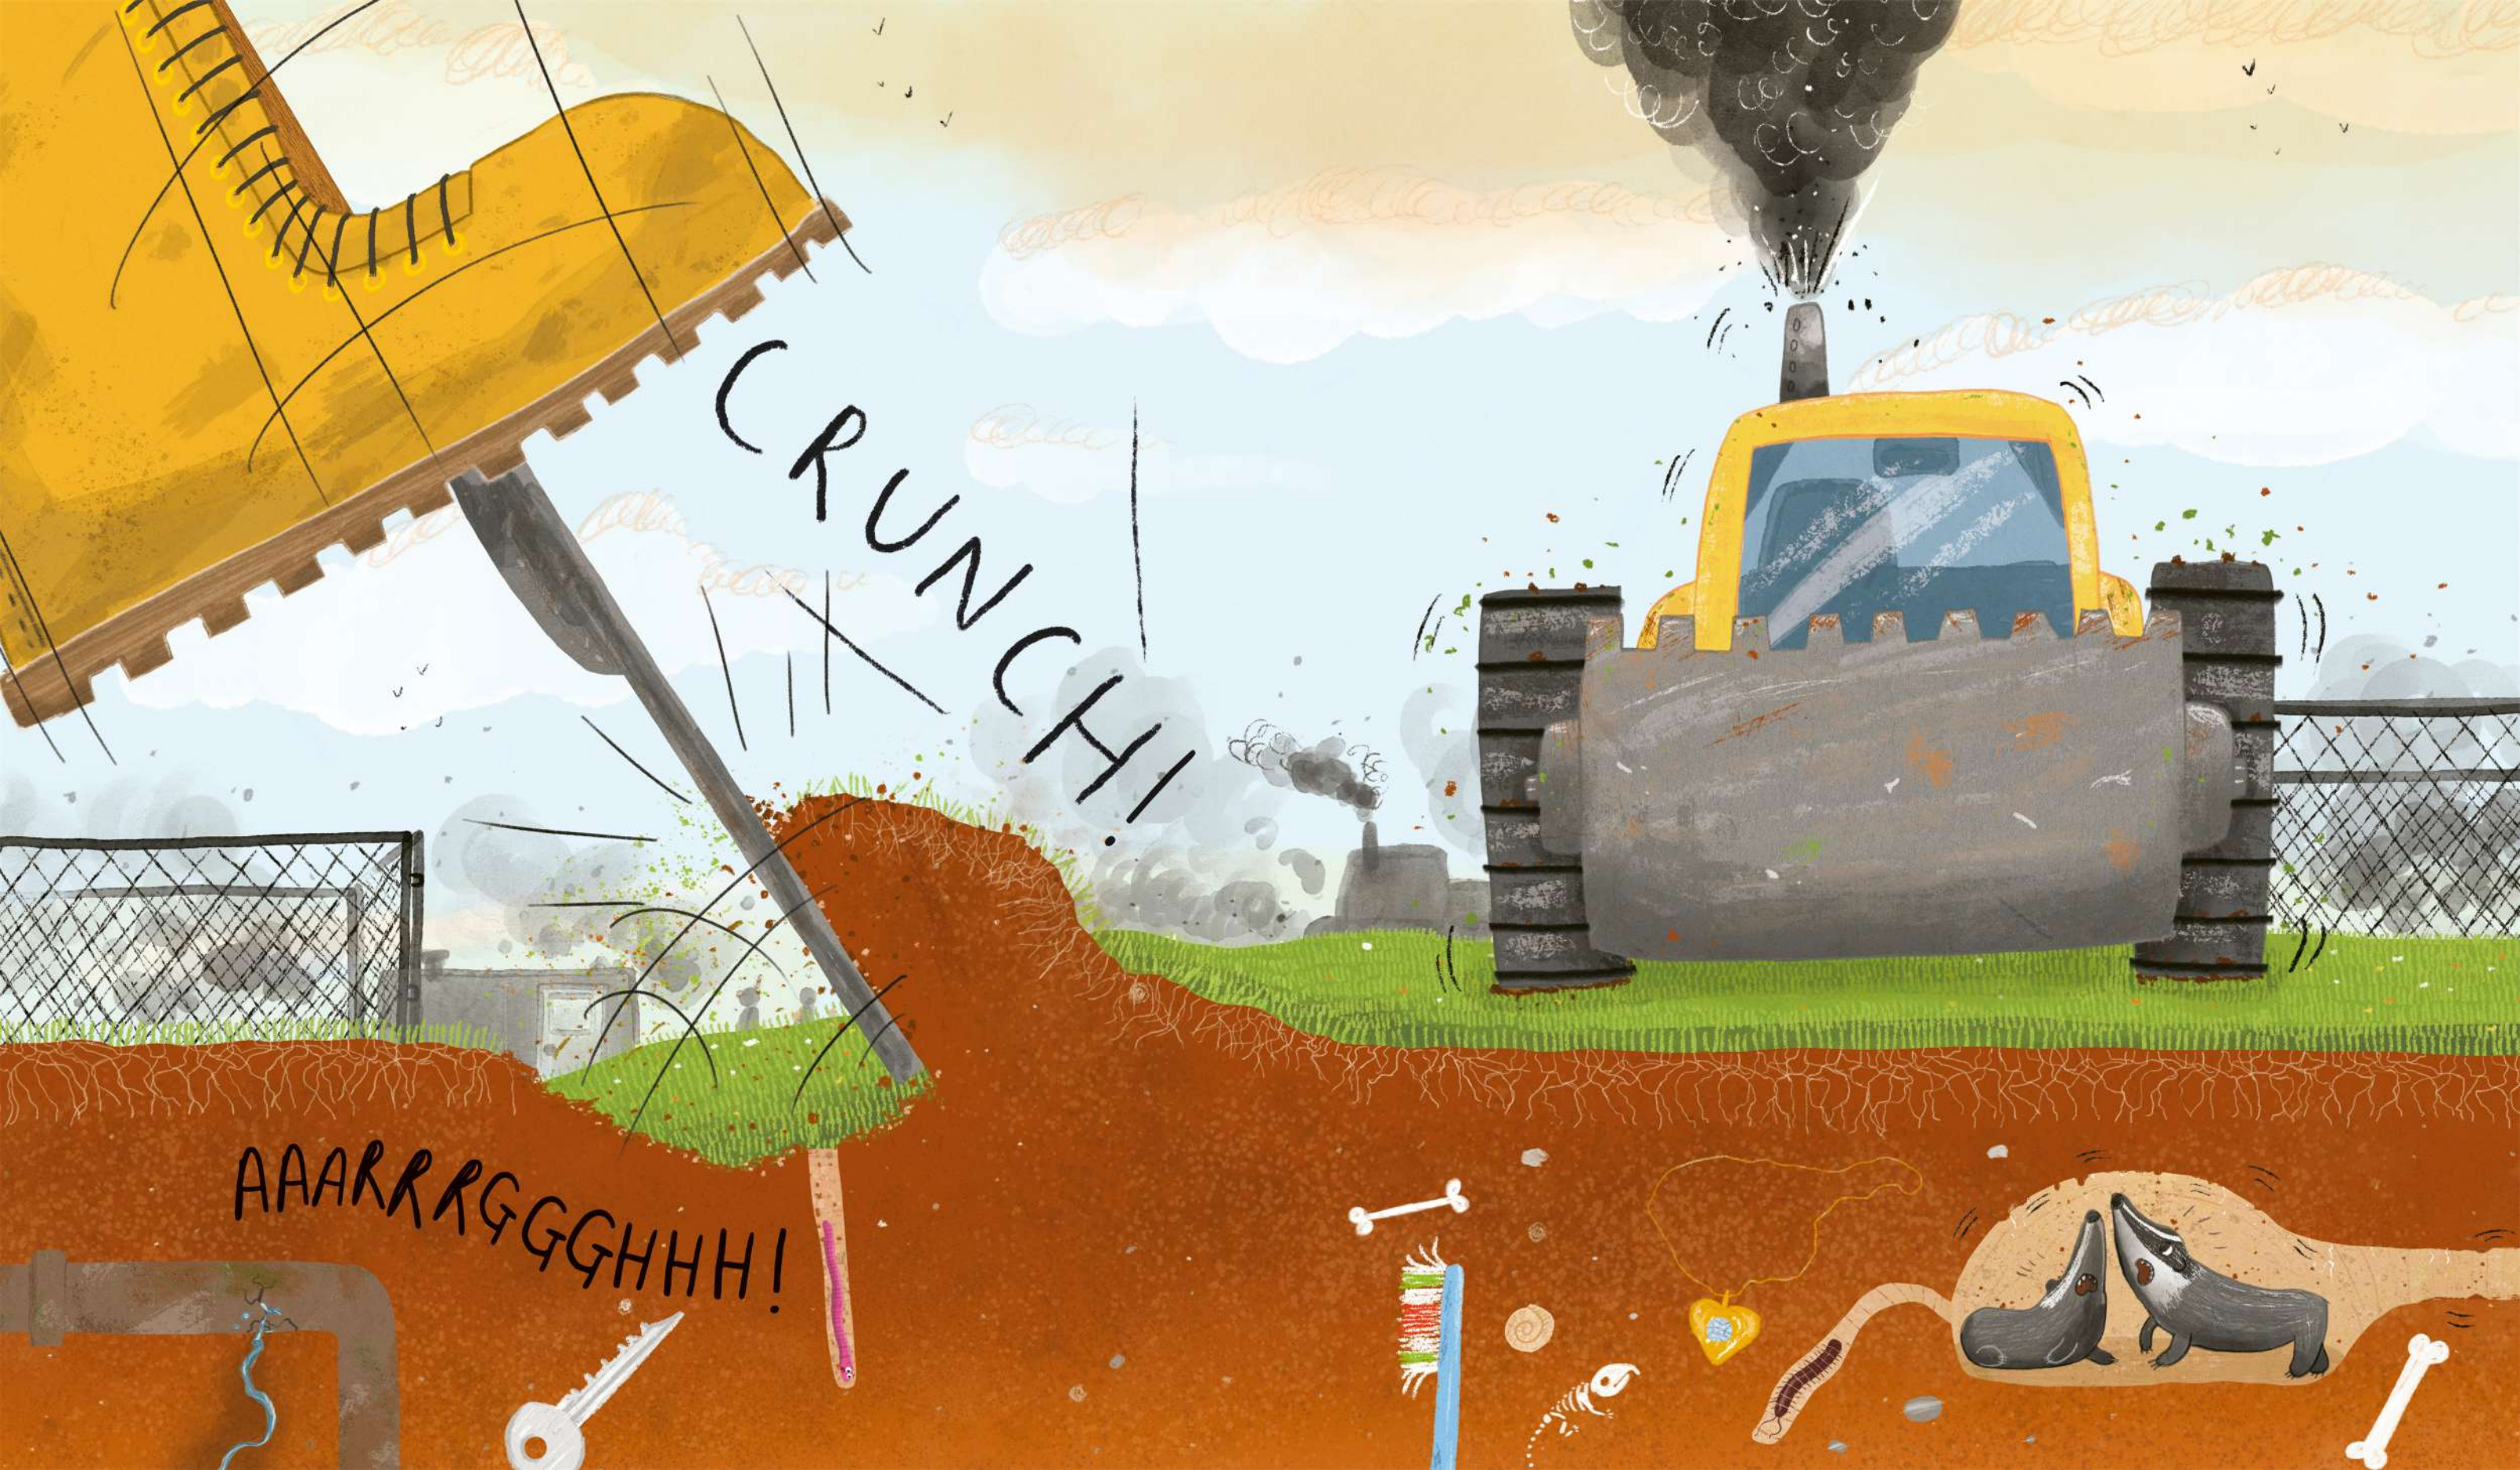

OH. HELLO, not much, just  
MUNCHING MUD and MAKING TRACKS  
in my HOME PATCH of soil.

Your home patch looks like a nice  
place to live, but have you seen the . . .  
big spade coming your way?

OH! NO. YIKES!  
Down I go.

"Rumble" "Rumble" "Rumble" Rumble"

Phew. That  
was close.  
What are you  
going to do now?

It's ok, I can stay down here  
for a while, then I'll go back home.

Watch out Worm!
