Hello
you!

You are in here somewhere,
but we can't see you as
you're really tiny.

LUNGS

in and out)

ARMS
(good for
hugs)

Before I was born, I lived in
Mummy's tummy. And now
YOU do! (I bet it is so nice
and cosy in there.)

PLACENTA
(this helps you
to grow strong
and healthy)

UMBILICAL CORD
(this connects you to the
placenta, bringing you
food and goodness!)

UTERUS
(this is your
bedroom for now!)

FŒTUS
—that's you!
(the baby before
they are born)

grow to be as good
and kind as mummy's)

Did you know that today you are
about the size of an apple?

Don't worry though—you are not
an apple. Apples don't grow in
tummies, silly! They grow on trees.
