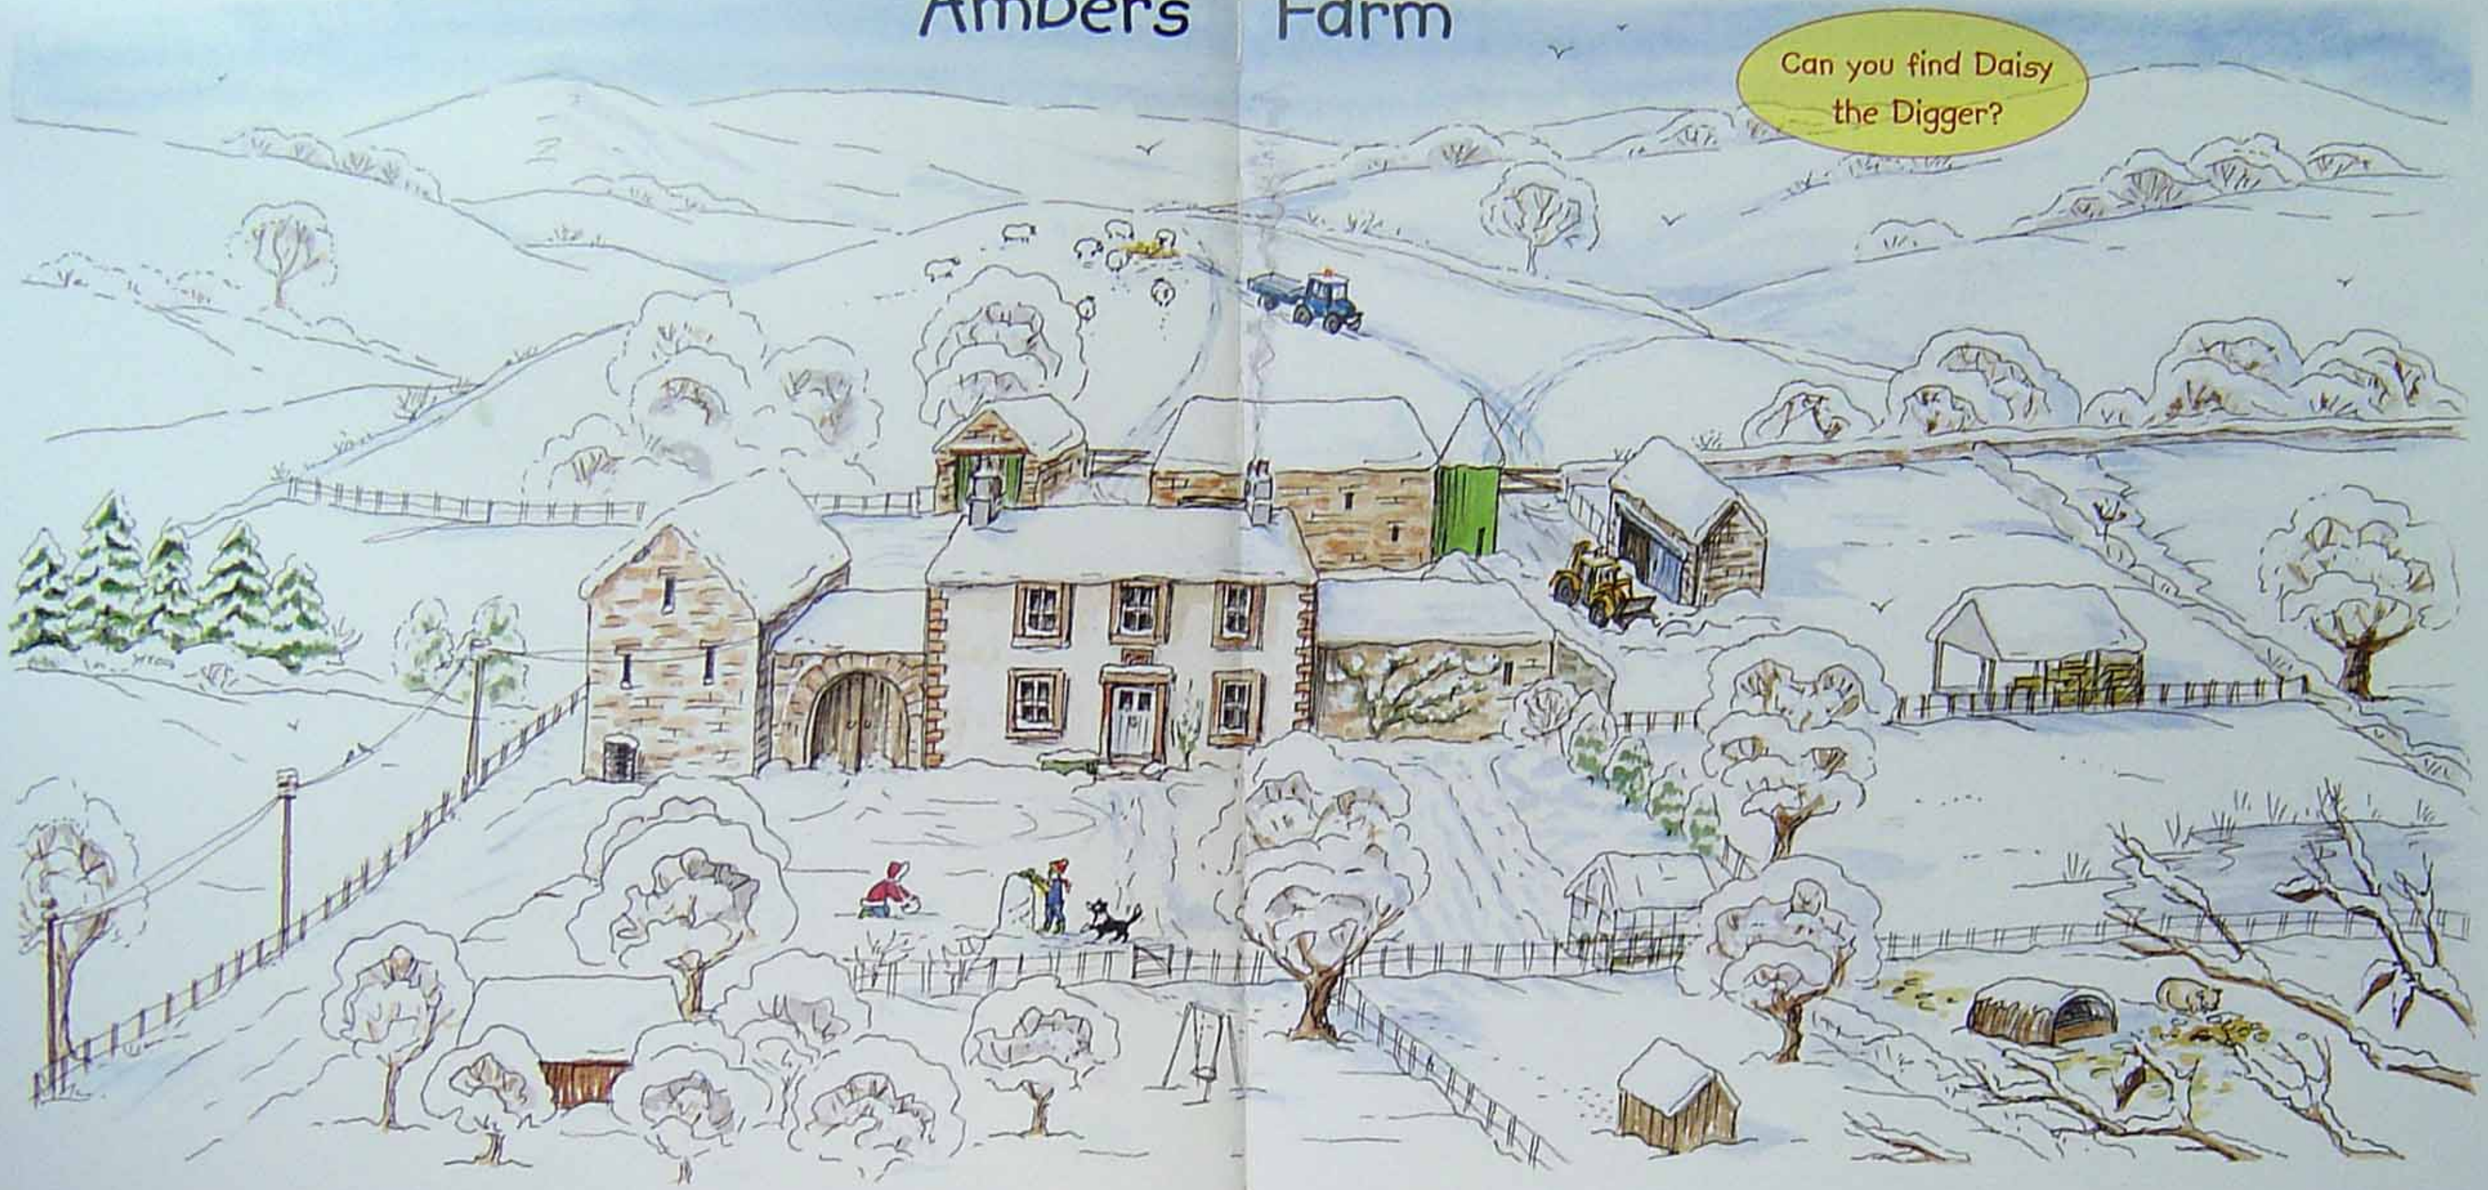
Ambers Farm



Felix the Fast Tractor lives on Ambers Farm with Farmer Story, Mrs Story, their two children Max and Lucy, and the family dog Ben.

It was wintertime and it had been snowing heavily for the past few days.

Today was the first day that it hadn't snowed, and Daisy the Digger had come to help clear the snow from the farm lane.

Max and Lucy were busy making snowmen. They were very excited as the village play was that afternoon and they had been practising their lines for weeks.

The bad weather had caused a big problem for Andrew the coalman as he was expecting an urgent delivery of coal to the train station. His coal bunkers were empty!
