Please print off and read at your leisure.

There once was a town
that was really quite grimy,
where rubbish was left
to go rotten and slimy.
It never smelled fresh,
and the air was all hazy;
the people were
wasteful...
and useless...
and lazy!

But then something happened
that none could explain.
It wasn't a bird
and it wasn't a plane.
A green-caped
crusader
stupendously
swooped,
descending
to Earth
with a great loop-the-loop!
