A detailed oil painting of a brown horse with a white mane and tail grazing in a field of yellow wildflowers. The horse is positioned on the right side of the frame, facing left. The field is filled with green grass and numerous small yellow wildflowers. In the background, there are several large, dark green trees and a distant horizon line. The sky is filled with large, white, fluffy clouds, with patches of blue visible. The overall mood is peaceful and serene.

A horse stands alone in a field.
She is waiting.

The children come to visit her,
They love her warm, sweet smell,
and the way her breath comes
hot and heavy from her soft nose.
