Kipper was sitting on the first page of this book, wondering what sort of a book it would turn out to be, when a little squeaky mouse came running across the page.

'Are you in this story?' said Kipper.

But the little squeaky mouse said nothing. It ran straight across the page and disappeared into the foldy bit in the middle of the book.

‘I’ve been in lots of books,’ said Kipper, ‘but I’ve never been in there.’

‘Go away!’ whispered the little squeaky mouse from inside the foldy bit. ‘Or he’ll find me!’

‘Who will find you?’ said Kipper.

‘Ssshh!’ said the little squeaky mouse.
