SPYOLOGY™

TOP SECRET SALES POINTS

The year is 1957 and British spy Spencer Blake, aka Agent K, is on an undercover mission to expose a deadly criminal organisation. As he traverses the globe he furtively records his secret techniques in a manual for new recruits.

As the story progresses and readers learn the essentials of spycraft, keen-eyed Ologists will discover that Agent K has been setting them challenges and codes to decipher all along. The reader must unravel these clues to reveal the book's hidden content and secret message.

With a magnifying filter device to read hidden microdot messages, a code cracking Cryptotron, and more secret pockets than ever before, *SPYOLOGY* is an astonishing guide that takes the best-selling Ology series to a new level.

MARKETING MISSION

* Spy kits for events
* Global ultimate spy challenge
* Top-secret new room at OlogyWorld.com
* Nationwide agent hunt
