KEEP OUT
...and PLEASE stay out of the mud today.

Traction Man is here!
(And Scrubbing Brush too!)

LONG WAY UP WE ARE
Traction Man and Scrubbing Brush are on the North-West Slope of the Compost Heap.
Traction Man is wearing his Rubber Rescue Harness, Glacier Boots and lots of rope.
Scrubbing Brush is carrying LUNCH.
This Ancient Potato is guiding them to the top.

They have to pass through the ring of Mystic Shrooms.
BOW LOW YOU MUST
They bow to the Shrooms.
OOMMMMM
The Summit!
They plant a flag and have their sandwich.

The only way back is through the swampy marshes of the Pond.
They can cross by Boot.
