Litterbug Doug!
His house was a rubbish dump,
full of old stuff,
that was rotting and mouldy
and smelly enough
to make your eyes water
(the pong was so strong)
but Doug didn't think
he'd done anything wrong.
And his only real friends,
were a hundred odd rats
(except for two lazy
and fat tabby cats).
LD

And then to the joy
of the hundred odd rats,
Doug even got rid of
his two tabby cats!
The cats were so fat
that they made the dump fall...

...and down
came the rubbish heap,
rats, cats and all!
But then something happened
that none could explain.
It wasn't a bird and it wasn't a plane.
A green-caped crusader
stupendously swooped,
descending to Earth
with a great loop-the-loop!
