J'aime...

Have a look at this picture and try to learn the French words for everything. Then choose four things you like and four you don't like. Practise saying if you like them or not by using the phrases **J'aime...** and **Je n'aime pas....** For example, **J'aime les fleurs** or **Je n'aime pas les moustiques**. Practise with a friend and take turns.

C'est de quelle couleur?

Here's a fun game to help you practise colours in French with your friends or family. You will need a die and some counters. When you land on a square all the other players shout **C'est de quelle couleur?** You say **Ma couleur préférée, c'est le rouge** or whatever colour you have landed on. If you get the answer wrong you miss a turn. Good luck!

Count in French as you move your counter.
