It was another busy day at City Hospital. Outside it was pouring with rain. Doctor Glenda was making an important phone call and Nurse Percy was looking after one of the King's men, whose foot had been squashed by a huge egg.

Just then the ambulance arrived.

‘Urgency Emergency!’ called the Pengamedics. ‘We have an injured spider here. Injured spider coming through!’

Miss Muffet was running beside the trolley. She was the one who had called the ambulance.
