TOP SECRET

the secret service man

Dear Miss,

I might be a bit late for the first day of school. The weirdest thing happened today. The head of the secret service turned up! They need me for a special secret mission to find a missing explorer. I did mention the maths test, but he just said that the future of the country depends on me. I couldn't say no. Sorry Miss.

(Fingers crossed I'll be back in time for the test!)

My dog Bruno

P.S. Bruno's coming with me – he makes a great bloodhound.

P.P.S. The stuff I've told you is Top Secret, so please eat this letter.

Dear Miss,

We found a boat home but Pirates attacked us! The Pirate King tied us up, stole the treasure and made us walk the plank! Thank goodness Bruno and I are such good swimmers. I'm going to get the treasure back. This could make me really really late! I'm really sorry, Miss, but I can't let the Pirate King get away with this.

P.S. Please don't let Nicholas use my felt tips.

P.P.S. I don't mind if he takes my turn at tidying the storage cupboard.
