Spring is here,
to turn the whole world green.

Here's the b r e e z e
that will make the new leaves rustle
and the tiny rosebuds tremble.

The leaves are out,
and the birds are in the air.
When spring arrives
the whole world smiles.

Morning!

Hello Monday!

Hello Yesterday!

What would you say
to a nice cup of tea?

Hello Tomorrow!

Hello Monday!

How are you?

It's Summer!
The wheat-fields are golden;
the flowers are in bloom.
The colours and smells are as warm and deep
as the thick summer heat.
Shadows give way to the
long, bright hours of day.
